### Chicago Grain

**CHICAGO (U)** - An urgent demand sent soybeans scooting up for gains of about 5 cents on the board of trade Tuesday. Wheat was very strong and feed grains firmed. Dealings became active in all pits.

Old crop soybeans contracts set new highs since they've been traded. The months representing the 1954 crop were higher but their gains did not match those of the old crop months.

Demand was stimulated by indications red wheat stocks were declining. Feed grains were aided by the strength in other cereals.

Wheat closed 1 1/2-2 1/2 higher, March 2 1/4; corn 1 to 1 1/2 higher, March 70 1/4; oats 1/2-1/4 higher, March 70 1/4; soybeans 1 1/4 to 5 cents higher, Jan 3.12-3.12 1/2, and lard 17 to 40 cents a hundred pounds higher, Jan 16.22.

The National Western record is \$8,500 for a Hereford heifer sold by Colorado Gov. Dan Thornton at the 1945 show.

The first 33 Hereford cows and heifers sold Monday brought a total of \$43,310, an average of \$1,322. The average for 32 Hereford cows at the 1953 show was \$1,068.

### Record Prices At Stock Show

**DENVER (P)** - Blue ribbon quality and near record prices brought a wave of optimism to the National Western Stock Show and Rodeo Tuesday as the giant exposition neared the halfway mark.

As buying stepped up, show officials and cattle breeders agreed the higher returns indicate a return to more normal prices in the troubled livestock industry.

This view was prompted in part by Monday's sale for \$7,700 of FT Proud Princess 142d, owned by the Suncrest Hereford Ranch of Phoenix, Ariz. The lucky Hereford Ranch of Gilroy, Calif., bought the 2-year-old heifer, paying the show's second highest price on record for a Hereford cow.
