

LANDLOCKED ATOM SUB 'UNDER WAY'

The first atomic submarine engine, built into a land based submarine hull, was generating power when this overhead view was made at the National Reactor Testing Station in Idaho. The engine section is immersed in a sea tank about 50 feet in diameter and almost 40 feet high to simulate actual operating conditions. The nuclear power plant, designed and built by Westinghouse Electric Corporation, is a prototype of the engine in the USS Nautilus, first atom submarine scheduled to be launched Jan. 21 at Groton, Conn. Commission Hears Plan For Church Expansion

Rev. John L. Cauble and officials of St. Mark's Lutheran Church will consult city officials as to whether zone change proceedings will be necessary for the church to get authority to rebuild on its present location at 343 North Church and possibly expand by acquiring adjacent property south now used by Shrook's Used Cars.

Four Corners

FOUR CORNERS—Many Four Corners families moved in January. Mr. and Mrs. Leroy Charlier, Leon, Anita, Shelley moved from 289 North Lancaster Dr. to 3490 Sunnyview Ave. Anita transferred from Four Corners school to Hoover.

a C4 zone under the new code which does not permit church construction. The commission advised him to inquire into zone change procedure.

The proposed annexation policy formulated by a special committee will go to the city council with the commission's endorsement, but without approval or disapproval of recommended increase in water rates and sewer service charges as a means of financing those utility services for newly-annexed districts.

The commission gave its approval to an application from Fred Snider to rebuild an old pumping station at South Commercial and Superior for office use, on condition that the building be made no bigger, that off-street parking be provided, and size of signs be limited.

It approved and will recommend to the City Council that Flavius Meier be relieved from the setback line on Silverton Road so gasoline pumps may be installed within 10 feet of the street. A condition is that the construction be removed by the owner if the city in the future wants to widen the street.

Referred to City Attorney Chris J. Kowitz was an inquiry from Willamette Valley Transfer Company if zone limitations would permit it to widen its warehouse space at 1920 Highway Avenue. On property adjoining it on the south the company plans a 40 by 150 floor building.

Loans Approved Total \$281,307

Real estate loans totaling \$281,307 were approved in Salem during the full year 1953 by the western home office of Prudential Insurance Co.

Harry J. Volk, vice president in charge of western operations, reports that this 12-month total represents \$233,515 in residential loans and \$47,792 in commercial and industrial projects.

During the year loans totaling \$8,386,918 were made by the company to finance real estate throughout the state of Oregon.

Total approvals by the company during 1953 throughout the 11 western states and Hawaii were \$166,165,851. Of the 1953 total \$129,353,630 was for residential financing, \$20,132,216 for commercial and industrial, and \$16,680,015 for farms.

Prudential now has an all-time high total of \$974,982,774 in real estate loans in force in the 11 western states and Hawaii.

Fickle Weather Delays Spraying

Snow, rain, and temperatures below freezing will delay the dormant spray for peach leaf curl in local orchards, observes County extension agent D. L. Rasmussen.

However, as long as the spray is applied before the buds swell, it will protect against damage by peach leaf curl, one of the most serious fungus diseases of peaches in the Willamette valley.

Recommended sprays are Bordeaux 12-12-100 or Ferbam, three pounds in 100 gallons of water. A spreader sticker should be used according to manufacturer's instructions.

Mr. and Mrs. Andrew Messman and son, Dennis and Danne, were given a housewarming Saturday evening in their newly completed home at 4108 Hager Ave. Presenting the Messmans a gift with their good wishes were Mr. and Mrs. Kenneth Ahredt and Nancy, Mr. and Mrs. William Hager, Mr. and Mrs. Delbert Kurtz, Mr. and Mrs. Charles Gilbert, Merrill and Robert, Mr. and Mrs. Hardie Phillips, Mr. and Mrs. Harold Halfman, Mr. and Mrs. Charles Eby of Salem, Mr. and Mrs. John Messmann of Lebanon, Mr. and Mrs. James Cech of Beaverton.

WOODBURN TAX AID

WOODBURN—An internal revenue agent is scheduled to be at the Woodburn city hall Feb. 24 to assist taxpayers in preparing their federal income tax returns for the year 1953, according to word received here. The final day for filing the returns is March 15.

North Marion High Activities

HUBBARD — Thursday, Jan. 21, the FHA and FFA chapters of North Marion Union High School will hold their monthly meetings at the school.

Thursday evening the board of education will meet with the budget

committee of North Marion high school to work on the 1954-55 budget.

The first semester ends this week with exams of the afternoon classes slated for Thursday afternoon and of the morning classes scheduled for Friday morning. Report cards will be out Wednesday of next week.

North Marion Union High School has again been accepted and approved as a member of the Northwest Association. "Everything is satisfactory" was the result of the

annual report to the association by M. H. Beal, principal.

Friday and Saturday, Jan. 22 and 23, M. H. Beal will attend the Oregon Association of Secondary School Principals meeting at University of Oregon in Eugene.

Thursday, Jan. 28, Mr. Beal will attend the Willamette Valley guidance association meeting at Oregon College of Education in Monmouth.

Colorado was practically unknown country when gold was discovered there in 1858.

Tree Planting at Lebanon Scheduled

LEBANON — Arbor Day, February 12, will be observed in four elementary schools of the city. Conservation is being stressed in the classrooms.

To add emphasis to the study, the Lebanon Garden club will give three cash prizes for essays in seventh and eighth grades on conservation of wildlife.

Dan Abraham, Cascadia forest ranger, will speak on January 22 at assemblies on the forest service function of conserving wildlife in eastern Linn county.

The forest serving film, "Wildlife and the Human Touch," is being shown in schools this week.

Crown Zellerbach corporation will provide the trees to be planted at the Arbor Day programs.

Whalebone is part of the skin lining of the whale's mouth and has nothing to do with true bone.
