# Icy Weather In Wide Areas

By THE ASSOCIATED PRESS Cold, icy and wet weather con-tinued to plague wide areas in the eastern two-thirds of the coun-

try Friday.

The frigid cold that has numbed northern Midwest areas for near-ly a week continued, but temperatures were not as low as Thurs day. It was 21 degrees below zero in International Falls, Minn., compared to a bone-chilling -41 Thurs day in the city on the Minnesota

Snow and cold hit areas in the Southwest with a fall of seven inches of snow on the ground in Walnut Ridge, Arkansas.

Rain and thunderstorms were eneral over the lower Mississippi general over the lower Mississippi Valley eastward into Georgia and northward into Tennessee, the Car-olinas and Virginia. There was a belt of freezing rain further in the Ohio Valley.

Snow or snow flurries continued in the Northern Rockies and in the Great Lakes region, while there was more rain along the coastal areas of Washington, Oregon and Northern California. Heaviest falls were along the Washington coast.

WASHINGTON IN - Atty. Gen. or advocate forcible overthrow

washing the may be some "very serious security risks" left on the federal payroll—but not, so deport native American Communist Party members.

Brownell made the statements under a barrage of questioning Thursday at the first news conference he has held here since last Oct. 18.

He religed repeatedly to give

He refused repeatedly to give any breakdown of the 2,200 federal employes President Eisenhower charges can be brought against says have been "separated" from the government as security risks—

tell the Senate internal security subcommittee—in answer to a require quest from it—whether perjury charges can be brought against career diplomat John Payton Dathe government as security risks beyond saying "at least one" employe let go by the Justice Department was a former Communist Party member.

On other matters, Brownell said:
