## Idaho Power

finished. The place for flood control dams is on the Salmon or Clearwater or below where these rivers enter the Snake, he said.
Idaho Power's dams will be as helpful to navigation as the government high dam, he insisted, and more helpful to recreation.

And over the 50 years estimated to be required for repayment of the government investment he said the company's project would pay nearly half a billion in taxes of all kinds.

Ball said sale prices of Hells canyon power will have to be about twice what the government warned:

"A conference like this must take time. For my part as long as we are making any progress at all, I am ready to devote any time that may be necessary."

Dulles also had expressed caution about the parley's prospects when he left Washington. "If the Soviet leaders come to Berlin with a genuine desire to create conditions of peace," he told reporters, ment uses any funds it can spare for building dams on the lower Snake, which have already been approved by congress, as Hells canyon has not been. Ball said his company's own

again the breeder of war?"

The most optimistic statement came from West German Chancellor Konrad Adenauer, sitting on the conference sidelines. He told the foreign affairs committee of the Bonn Parliament that there existed a real chance for the unification of East and West Germany in the Berlin talks.

This was an about face from the previous view in the West Germany is the statement would have ample time to build dams on other sites.

sites.
The speaker said his company The speaker said his company has wanted to make an appear-ance in Salem before but did not wish to present its material until it had first been presented to the Fedaral Power commission. serves the public interest.

## Chinook Gale

Precipitation ranged from 1 to 2 inches in western Oregon areas. At Astoria, 3.51 inches came down in 24 hours for the greatest

In the presence of a committee representing Catholics, Frotestants and Jews Governor Paul L. Patterson Friday issued a proclamation encouraging the week of George Washington's birthday as Brotherhood Week. In the picture, from left, David O'Hara, Saul Bloomberg, Judge Val D. Sloper, all co-chairmen, Governor Patterson, Arthur Atherton, chairman, and Irving Enna, Portland, chairman. The movement is sponsored by the National Conference of Christians and Jews.

Senator Eugene E. Marsh, Senator Eugene E. Marsh, chairman of the board, agreed that it certainly was the legislative intent, and favored the request for a declaratory judgment, saying that the only question was whether the emergency board had authority to make the request or some individual should file the request.

J. D. Annand, Portlanad archi-

request or some individual should file the request.

J. D. Annand, Portlanad architect employed by the State Board of Control to prepare plans for the new institution, told the emergency board that after viewing many similar institutions in various parts of the country, he found that it was considered poor policy to locate such an institution "in sight of any other penal institution."

"For that reason we must, in my opinion, purchase land removed from any other institution of sufficient size to permit profitable for automobiles in the car pool during the remainder of the biennium.

Huggins as well as H. M. Randall, secretary, told the board that the money was needed because the attorney general had ruled all state cars must bear the state work to be required to mark cars used by members of our staff in the field," said Randall, "But because of the opinion, we sold our cars to the department of finance from any other institution of sufficient size to permit profitable

ficient size to permit profitable private cars.

"You are building a small town, not an institution," An-nand declared, "and therefore you must look into the future."

The weather bureau said the warmer weather was caused by a low pressure area moving in from the southwest and forcing the cold air bothering the area earlier to the north. The wind was stronger in the Portland region, gusts there going as high as 70 miles an hour last night.

## Indian Guards

Some of the freed prisoners had been in stockades almost from the start of the Korean War 3 ½ years

ago.

Allied insistence that no prisoners be forced to go home against their will was a major stumbling block in the prolonged armistice

The pro-Red American, British and South Korean POWs staged a sitdown strike in their compound The purpose was to back the Communist position that they should be held until their fate is decided be held until their fate is decided by a Korean peace conference. But it was considered likely that when their food runs out they will march north — and vanish be-hind the Iron Curtain.

Reject Final Appear
The Indian command made a final appeal Friday for the Reds

final appeal Friday for the Heds to accept the pro-Communist pris-oners, but it was rejected. Instead, the Reds warned In-dian Lt. Gen. K. S. Thimayya it would consider the Indians re-sponsible for seeing that there is no "abduction and dispersion" of the pro-Reds.

no "abduction and dispersion" of the pro-Reds.

The Indian commander met with leaders of the pro-Red com-pound, U.S. Sgt. Richard G. Cor-den of East Providence, R. I., British Marine Andrew Condron and three leaders of the South Ko-rean POWs.

"He gave them his position," an Indian spokesman said, "namely that by midnight we shall withdraw our guards, withdraw our custody and shell have nothing to do with them."

Can Leave if They Want

The priseness probably would

The prisoners probably would have little trouble leaving the unguarded compound, however, since it is surrounded by only two strands of wire.

The Reds also bitterly accused the Indian command of "complete-ly" wrecking the truce terms on POWs and warned them they must be responsible for seeing that there is no "abduction and dispersions" of the pro-Communist POWs.
While the Reds were protesting,
Gen. John E. Hull, U. N. Far East
commander, wrote Thimayya
praising the "humane, efficient

and expeditious manner in which anti-Communist Korean and Chinose personnel were transferred.
