Already six clubs have indicated their desire to take specific areas: the Chiropractors' auxiliary, Tri-Y Mothers, Junior Woman's club, Zonta club, Golden Age club and Esther Little Tri-Y club. Each group will tour the building to make its decision.

The furnishings committee consists of co-chairmen Mrs. Karl Becke and Mrs. H. G. Maision, Mrs. G. F. Chambers, Mrs. Robert W. Gormsen and Mrs. Charles D. Wood. They state that one of the first needs is for flatware and china to serve 125 places, as a series of luncheon club meetings will be one of the early undertakings planned for the new building. The specifications for this item, as well as all the other articles needed can be obtained by any interested individual or club from a mimeographed list published by the committee.

The furnishings list was prepared by the entire building committee in cooperation with John O. Merrill, Jr., and L. P. Crutcher, the architect's assistants in color and interior design. This was a prepaid service included with the building plans.

## Announce New Way To Shrink Painful Piles

Find Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to stop bleeding—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

Now this new healing substance is offered in ointment form for hemorrhoids under the name Preparation H.\* The price is only 98¢ a tube including an applicator. The name to ask for is Preparation H—at all drug stores.

And remember—if not entirely satisfied—your money will be refunded promptly.
