

### North Carolina Army Games

WASHINGTON (AP)—The Army announced Wednesday a big field maneuver in North Carolina this spring to train troops in defenses against atomic weapons, guided missiles and other new warfare devices.

The Army said it will use its 280 mm cannon, capable of firing both atomic and conventional explosives, but there was no indication that actual atomic shells would be utilized.

About 60,000 soldiers will take part in the exercises to be held in April and May in the Ft. Bragg-Camp MacKall area of North Carolina. The figure does not include air units to be supplied by the tactical air command.

Highlight of the exercise, named "Flash Burn," will be the parachute landing of the 82nd Airborne Division followed by the air landing of the 37th Infantry Division in "aggressor" territory.

Some of the eight thousand students who marched on the British Embassy in Madrid, Spain, and stoned police defending the building, are shown here as they give the Falangist salute and shout "We want Gibraltar." (UP Telephoto)

### Mill City Near End Of Drive for Dimes

MILL CITY — Mill City along with other cities will climax its polio drive this week. The drive is sponsored locally by the Lions Club, which will give a benefit dance at the fire hall Saturday evening, Jan. 30.

Local musicians will donate their time free for this dance. The Mothers March on Polio is under the sponsorship of the Women's Club, headed by Mrs. John Muir. This drive will be conducted from 6:30 until 7:30, the earlier hour necessary because of a school program to be held later in the evening.

The mothers who will assist in the drive met Monday for a 1 o'clock luncheon at Mom and Pop's Cafe to work out detailed plans.

Attending were Mrs. Muir, Mrs. Leonard Hermin, Mrs. Frank James, Mrs. Shields, Mrs. Remine, Mrs. Gene Engelgau, Mrs. Arey Podrabsky, Mrs. Parker Ramsey and Mrs. L. B. Hard.

### Electronics to Tell Weather

NEW YORK (AP)—Scientists say they will soon be able to tell the odds on whether it will rain or snow, be hot or cold tomorrow—but it takes an electronic brain to do it.

The new method of weather forecasting was described yesterday in a paper at the 127th national meeting of the American Meteorological Society.

So far, the scientists said, they are only processing temperature forecasts—"five to four it will hit 80."

But they soon hope to be able to say "two to one it will rain tomorrow" or "odds are even it will snow."

The technique, said to work anywhere in the country, was developed by Dr. Thomas F. Malone and Dr. George Wadsworth, Massachusetts Institute of Technology professors, and Don G. Friedman and Robert G. Miller, graduate students.

### GALE AT SEATTLE

SEATTLE (AP)—The weather bureau here said today gale force winds with gusts reaching 120 miles an hour were recorded at 9 a.m. at Cape Blanco on the Oregon coast.

### 17 Million Bushels State Wheat in Hock

PORTLAND (AP)—More than 17 million bushels of Oregon's 1953 wheat crop was under government support loan on Jan. 15, Arnold Bodtke, executive assistant for the state stabilization and conservation committee.

### \$500,000 for Probing Reds

WASHINGTON (AP)—The Senate apparently set itself Wednesday to invest upward of half a million dollars in work of its two subcommittees which trail Communists.

1. It voted \$228,000 for its internal security subcommittee, headed by Sen. Jenner (R-Ind).

2. The Rules Committee endorsed a fund of \$216,000 for Sen. McCarthy's (R-Wis.) investigations subcommittee. This is yet to be passed on by the Senate itself.

The money for Jenner's subcommittee was approved by voice vote without objection although Sen. Ellender (D-La.) complained that there seemed to be duplication of the work by Jenner's group, McCarthy's group and the House Un-American Activities Committee.

Jenner replied that some duplication couldn't be avoided but "it's healthy work we all are doing."

Because of the "vast extent" of the Communist conspiracy, Jenner said, "there is plenty of room" for all committees.

### Salt Sticks, Quick Easy

There are some supper and luncheon dishes that just "cry" for salt sticks. And all too often, the bakery is out of them when you want them most. So the simplest solution, is to make your own. And as is often the case, the easiest solution is the best solution. Because when making your own salt sticks you can use the little innovations that make for a more interesting bread. For instance, this recipe below. The dough is rolled in crushed popped rice cereal, salt and caraway seeds before baking.

**Salt Sticks**  
2 cups sifted flour  
1 teaspoon baking soda  
1/2 teaspoon salt  
1/2 cup shortening  
1/4 cup vinegar  
1/2 cup milk

1 cup popped rice cereal  
1 teaspoon salt  
1 1/2 teaspoons caraway or poppy seeds

Sift together flour, soda and salt; cut in shortening until mixture resembles coarse corn meal. Add vinegar and milk, stirring only until combined. Turn out on lightly floured board and knead gently a few times. Divide into 16 equal parts. Roll each ball on board with palms of hands until it becomes a cylinder about 6 inches long. Brush with milk.

Crush popped rice cereal in salt and caraway seeds. Roll each stick in rice mixture. Place on greased baking sheets. Bake in very hot oven (450 F.) about 15 minutes.

Yield: 16 sticks, 6 inches long.

### 2 Tasty Dips Easy to Make

From time to time we get calls about dips to make. Here are two slightly different ones:

**Turkey Tang-O Dip**  
5 ounces sharp cheese spread  
1/4 cup minced cooked turkey  
1/4 teaspoon Worcestershire sauce

Whip cheese until creamy. Add minced turkey and seasoning. Pile on potato chips and place under broiler flame until cheese starts to melt. Serve at once. Or this may be used on crackers.

**Confetti Dip**  
3 eggs, beaten  
3 tablespoons of sugar  
3 tablespoons vinegar  
1 teaspoon of butter or margarine  
1/2 pound cream cheese  
Few drops of Tabasco sauce  
1 small onion, chopped  
1 green pepper, chopped  
1 sweet red pepper, chopped

Seasoning to taste.

Combine beaten eggs, sugar, vinegar. Cook over hot water, stirring constantly until mixture thickens. Add butter or margarine. Add cream cheese. Beat until smooth. Add sauce and finely-chopped onion and peppers.

### Ball Again Elected To State CIO Seat

LEBANON — John Ball, business agent for IWA-CIO local 251, has been reelected to the executive board of the Oregon Industrial Union council, CIO, it was announced this week.

The board, composed of six members, determines policy for the council between conventions. Officers were installed at the first meeting of the year last Saturday.

### Sunday School Work Shop at Silverton

SILVERTON — Silverton this week is holding a three-day Sunday work-shop.

The first session will be Friday at 2 p.m. with a continuance of instruction Friday evening at 7:30; a Saturday 10:30 a.m. class and another at 2 p.m., and on Sunday, Jan. 31, classes will be at 2:30 and 7:30 p.m.

This work-shop, strictly for instruction of workers and young folk class members, is on a small group level, and was made possible through the efforts of Rev. John R. Price and Mrs. Price of the Pilgrim Holiness local pastorate.

An Internationally known director and instructor has been secured for the three-day event.

### Toastmasters Meet At Silverton Jan. 28

SILVERTON—Dr. R. A. Epeuter will be toastmaster at the 7 o'clock breakfast, Thursday, Jan. 28, at Tony's with Cy Wentworth as T. T. of the Silverton Toastmaster's club.

Speakers will be Olaf Paulson, Jr., Dr. Gerry Arrington, Quintin Estell, William Bloch, evaluators are Dr. E. K. Anderson, Milt Baum, Norman Blaufuss and Harry Carson; Dr. Ralph Schmidt, G. E., and John Midlemis, T. K.

Miss Vera Forrest of Calgary, Alberta, Canada.

### REDS NAME ENVOYS TO NORWAY

MOSCOW (AP)—The Soviet government announced Wednesday it has appointed Georgi P. Arkadiev, a veteran representative at United Nations conferences on economics, as its ambassador to Norway.

**Easy Pie to Make**  
Quickly, easily made with plentiful apples. Favorite pie of most men. Line a deep pie plate with pastry and sprinkle on it 4 tablespoons brown sugar. Fill pie plate with sliced apples. Then cream together 3 tablespoons butter, 3 tablespoons brown sugar and 3 tablespoons flour. Spread this mixture over apples.

Pour 1 cup milk over all. Bake in hot, 425 degree oven, 15 minutes. Reduce heat to 350 degrees and make 20-30 minutes longer or until apples are tender. Swirl with whipped cream.

**Apricot Float**  
Treat the kids to a frosty apricot float. Put a scoop of vanilla ice cream in the bottom of a glass. Fill 3/4 full with chilled, apricot whole fruit nectar. Then finish filling with chilled ginger ale.

### Mill City High Wins Accreditation Again

MILL CITY — Mill City high school, along with 133 other high schools in the northwest, has received a certificate of accreditation. This is the 20th consecutive year Mill City has received this award.

In order to become an accredited school certain standards must be met such as preparation of teachers, teacher and pupil load, library, building and laboratory standards, graduation units required, school atmosphere, athletics, student activities and other requirements.

Those making the honor roll at Mill City high school at the end of the first semester are: Seniors—Richard Verbeck, Richard Anderson, Dale Andreasson; Juniors—Ralph Jull, sophomores—Phyllis Provost and Ellen Shelton; freshmen—Evelyn Taylor, Annette Melting, Richard Ziebert and Rosalee Bassett.

**THEFT FINES LEVIED**  
ALBANY—Two more of the quartet of Harrisburg youths rounded up for stealing tools and a flashlight from Ernest McCaul of Harrisburg Jan. 17 pleaded guilty to petty larceny charges in district court Tuesday. Each of the two was fined \$35, which was paid. Previously fined \$35 each for complicity in the theft were Jerry Lane Williams and Bingham Nelson, aged 18 and 19 years, the other two are aged 17 each.

### QUELL STAYTON FIRE

STAYTON—The Stayton fire department was called to the new home of John Cannon, grade school principal, Tuesday morning. A floor fire, started in the forced air furnace, was quickly brought under control. Extent of damages is unknown.
