A MIGHTY FORTRESS IS OUR GOD

At all times and in all ages the Church has been a strong and mighty battle station against sin and moral decay.

Through its arches and apses and naves has constantly rung the battle cry of soldiers of the cross.

On its altar has always been found the greatest arsenal of sacred ammunition ever entrusted to any race or to any people—the Holy Bible.

The banner of righteousness has flown steadily from the fixed redoubts of quaint and quiet community churches and impressive city edifices alike.

The torch of truth and salvation has been carried with zeal to dismal outposts in distant and strange lands by self-effacing vanguards.

The Church's stirring hymns, its reverent litany, its jeweled creed, its holy festivals—all have been powerful weapons in the hands of purposeful men determined to see that right makes might.

From its pulpit parapets have resounded continual and courageous challenges to the forces of evil. Truly, the Church today is a mighty fortress in the defense of decency.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
