fzation og PTA, and a review Rooper, pharmacist at Haas of highlights in the history of Drug, will stay for a month but

Hi there-I'm writing this first "Hello" from my desk here on the mezzanine at Roberts Bros. April.

at 340 Court St.

Just lately I've been writing about our market trip to Chicago. We returned January 18, so full of enthusiasm and ideas we haven't simmered down yet, and continuing through Feb, 21. Rev. Howard Nyce from House, the busiest spot in Chicago I know. That very afternoon we "did" the Lamp Show, right there in the hotel—two floors set aside for manufacturers showing their new spring lamp lines. Everything from provincial lamps made of coffee grinders with ruffled.

be held at 11 a.m. and 7 p.m. Plans are being made for a scries of evangelistic services to the Memorial hospital in turned to th from provincial lamps made of coffee grinders with ruffled shades, to the most modern tripod of black iron and brass. Little did we realize at the time that the entire 12th floor of the huge Merchandise Mart — the was given over to lamps, too!

The Merchandise Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the province of the huge Mart — the largest commercial building in the world—proved to be a real to the same to the province of the huge Mart — the largest commercial building in the world have the province of the prov largest commercial building in the world—proved to be a real challenge. It was a mile away from the American Furniture Mart, and by the time we had spent several days at each place we had developed into avid note takers. Without order we restricted to the mountain Monday night because of the heavy fall Monday. Mr. and Mrs. John Doran broke roads with their tractor Wedness.

As it was, we were thrilled with the immensity of the market, and both Mrs. Klang, our merchandise manager, and I determined to see it all!

Mrs. Doran's school at Bridge with the steady downpour of Wednesday's hard driven rain many of the basements in town were fleeded during the night and early dolyn Hurst into town on their Thursday morning.

determined to see it all!

The trends throughout the lines shown were definitely toward beauty of natural woods, simplicity and cleanness of form and line, richness and almost elegance in fabric. Tweeds with gold threads, interesting textures, warm colors in shades of copper, gold, pumpkin The trend was strong toward modern embellished with the shade of the sacration of the basements in town were flowed during the night and early Thursday morning.

Members of the Lyons Extension unit held their January meeting at the Robekah hall Friday. January 22 with an all-day meeting the trend was strong toward modern embellished with the shade of the last the control of the basements in town were flowed during the night and early Thursday morning.

Members of the Lyons Extension unit held their January meeting at the Robekah hall Friday. January 22 with an all-day meeting the might and early the property of the passements in town were flowed during the night and early Thursday morning.

Members of the Lyons Extension unit held their January meeting at the Robekah hall Friday. January 22 with an all-day meeting the home of their leader. Curtis Lamb, and the next meeting will be with the shade of the basements in town were flowed during the night and early Thursday morning.
