RICKREALL MEETING

DALLAS—Agricultural and home economics chairmen of the Polk county subordinate granges were today reminded by N. John Hensen, county extension agent, of the agricultural and home economics conference scheduled for Saturday, Feb. 6 at 10:30 a.m. in the Rickreall grange hall.

Half Million to Remain From School Bond Issue

A balance of more than $500,000 of the bond issue authorized by the voters of the Salem school district for the new high school will exist when the building is completed next fall, according to estimates presented to the board by C. C. Ward, clerk-manager.

Preliminary estimates indicated that the entire bond issue of $4,280,000 would be necessary to construct the building, provide equipment and take care of other expenses. Since then the original figures have been scaled down to $3,739,142, leaving an unexpended balance of about $540,000.

The lower construction figure means a reduction in architects fees from $170,736 to $147,612.

Additional expenses involved in the project consist of gymnasium bleachers, $46,375; corridor lockers, $15,894; gym lockers, $8,083; field bleachers, $35,000 and transformers, $1,171. These items were not included in the preliminary estimates.

Paving, originally estimated to cost $33,000, will amount to $47,015, according to revised figures. Sidewalks, retaining walls, etc. have been reduced from $27,585 to $25,000; equipment from $320,600 to $250,000; purchase of site up to $135,867 from $125,000, and miscellaneous up to $135,867 from $249. Landscaping will cost an estimated $8,000 and the salary of the clerk of the works $12,000.

It will totals up to $540,857 under the original estimates, a sum that will be used in the construction of additional grade school and junior high buildings.

Of the original bond issue, $3,500,000 has been sold and $240,000 will be placed on the market in July of this year.

Projects contemplated for the fiscal year include a building to replace Grant elementary school at an estimated cost of $260,000 and an addition at Auburn, $100,000. Office equipment for the new administration building will involve expenditure of $6000.

The amount of money available through operation of the serial levy, $275,000, plus $62,299.11 surplus, or a total of $337,299.11 will not be sufficient to cover contemplated expenditures.

The board has allocated $2,000 toward the leveling and landscaping of the Morningside grounds and $241,000 for the administration building at Ferry and South 13th.

Meier and Frank, purchasers of the old high school property will make a final payment of $298,500 June 1.

Block, Attorney For Spies, Dies

NEW YORK (UP) — Emanuel H. Bloch, attorney for executed atom spies Julius and Ethel Rosenberg, is dead.

The body of the 52-year-old Bloch was found Saturday partly slumped into a filled bathtub at his home. An autopsy Sunday fixed a heart attack as the cause of death.

Bloch represented the Rosenbergs through more than two years of bitter and complex legal efforts to save them. They were convicted of conspiring to give atomic secrets to Russia.

Commie May Face Prison

WASHINGTON (UP) — The House Un-American Activities Committee proposes that any proven Communist be made legally subject to prosecution as a conspirator.

The committee, in a report made public during the weekend, said this should be accomplished by amending the Smith act. This act, under which a number of Communist leaders have been convicted and sentenced, provides prison terms for conspiracy to teach or advocate overthrow of the government by force or violence.

But it does not penalize Communist Party membership as such. When the government prosecuted the party leaders it had to present proof that they had conspired against the government.

The committee proposed the Smith act be amended to "provide that proof of membership in the Communist Party shall constitute that proof of membership in the prime facie on the face of it) evidence of violation of the act."

Admiral to Be Witness on Files

WASHINGTON (UP) — The Senate Internal security subcommittee reportedly plans to question an admiral behind closed doors within the next few days, possibly Tuesday, about any wartime destruction of Navy files on Communists. This was learned Monday from subcommittee sources who declined to identify the officer, expected to be the first of a number of admirals called in an investigation announced by Chairman Jenner (R.-Ind) last week.

Jenner has quoted Adm. Ernest J. King, wartime chief of naval operations, as saying the White House issued an order in 1944 for the destruction of files on Communist activities compiled by a Naval intelligence unit in New York.

The senator said he recently learned of this from a high-ranking officer on the wartime staff of Adm. Chester Mimitz, then commander of the Pacific fleet.

Florence Bates, Actress, Dies

HOLLYWOOD (UP)—Florence Bates, a lawyer and a baker before she became an actress at 50, is dead.

The noted portrayer of character roles succumbed yesterday to a heart ailment in a Burbank hospital. She would have been 66 Feb. 20.

Miss Bates, from San Antonio, Tex., was said to be the first woman admitted to the bar in that state, in 1909. During the depression her husband, Will Jacoby, lost his oil holdings. They came to California and opened a bakery.

In 1940 Miss Bates was appearing in a stage production at the Pasadena Playhouse. A movie scout saw her, signed her for a part in "Rebecca." She was so successful in that role that she received scores of parts thereafter, in films, in radio and television, and on the stage.

Her husband died three years ago.

Yugoslavs Turn Down Red Bid

BELGRADE, Yugoslavia, (P) — A "semi-official" invitation to slip back under the wing of the Soviets received little sympathy Monday from officials of Communist Yugoslavia.

The current issue of the Cominform weekly journal, published in Bucharest, Romania, called on the Yugoslav people to restore their Iron Curtain neighbors by rejoining the Cominform—Moscow's international organization of Red parties.

The journal continued, however, to denounce the regime of Premier Tito. He has been on bad terms with the Cominform ever since 1948, when he split with Moscow and his party was ousted from the association of the faithful.

Commenting on the latest friendship bid, Deputy Foreign Secretary Alex Bebler said ... have had many such invitations. We are not naive."
