### SUGGESTED JUVENILE DETENTION HOME

Above is an architect's drawing of a suggested youth servic Above is an architect's drawing of a suggested youth service center for which Marion County Court will be asked to make provision on the May ballot. The Recreation and Youth Serv-ice Committee of the Community Council, sponsored by the Comunity Chest, met today and voted approval. The Commu-nity Council will make the request. Building and grounds are roughly estimated to cost about \$105,000 and a small special tax levy would be needed. The building would have a rural setting. James L. Payne, architect, made the drawing.
