Detective Work by Lucille Leads to Arrest of Burglar

HOLLYWOOD (AP)—Police report that a bit of detective work by Lucille Ball led to the arrest of a man who has admitted he made about \$16,000 a year by posing as a writer and burglarizing studio dressing rooms.
Hollywood detectives Claire Ridgway and Byron Diller said Kenneth Darling, 31, a handsome and well-dressed ex-convict, was arrested yesterday and booked on suspicion of burglary when he was found snooping in a dressing room at the General Service Studios.
The police said Darling freely admitted that he had been operating in film and TV studios for the last four years, roaming around the lots by posing as a writer and always carrying a script under his arm.
The detectives said that only recently the first lead in the case was supplied by Miss Ball. She said she encountered a stranger emerging from the dressing room of her husband, Desi Arnaz. She gave police such a good description of the man that they located Darling's record in police files and circulated his photograph at all studios.
Yesterday a studio electrician, Bill King, recognized Darling from one of the photographs and called the Hollywood police station.
Hollywood detectives said Darling, who served a term in San Quentin Prison in the 1940s for a \$12 burglary, admitted nearly 500 studio thefts during the four-year period and that he sometimes netted as high as \$500 a day.
He told officers: "I don't mind going up the river again. I've really been living for the last four years."
Police said his recent victims included Harriet Nelson, wife of Ozie Nelson, Joan Davis and Arnaz.

WW I Barracks Formed Here

"Hiyah, buddy," will be the greeting when members of Salem's newly-organized Barracks of Veterans of World War I go to meetings.

The Barracks was organized Monday night when 52 members of that war met at Beaver Hall, elected officers, heard speakers from other cities, and discussed objectives, which include more adequate pensions. The main speaker was Harlan W. Barnes of Portland, regional vice commander, who explained the purposes of the organization which includes widows and orphans in the scope of its benefits.

Nationally the organization got the go-ahead signal this month at Cleveland, Ohio. Headquarters will be at Fort Wayne, Ind., under the directorship of Emanuel Levy, national commander.

Locally it was voted to keep the charter open and secure at least 200 members. All members attending the first meeting joined the Barracks. The next meeting will be held in about two weeks as an open meeting on a date to be announced.

Idanha Shows Real Spirit in Campaign

Arthur A. Atherton, Marion county chairman for the polio fund, is pleased with the spirit shown by the town of Idanha which gave \$418 in the Nauray campaign.

Atherton received the money Tuesday and said that all returns from elsewhere in the county have not yet been received.

Co-chairman in the Idanha campaign were Quincy Smith and Henry J. Hiebert, and the contribution amounted almost to \$1 for every man, woman and child in Idanha.

Concerted effort gave the drive there a good lift when a bingo game sponsored by the Willing Workers club and the American Legion auxiliary produced \$150 and a pie social by the Idanha

Officers elected for the Salem Barracks were: Commander, Frank W. Young; adjutant and treasurer, Ralph J. Baldwin; three-year trustee, Lloyd C. Demarest; two-year trustee, Frank M. Strausbaugh; one-year trustee, Emory A. Raboin; sergeant-at-arms, George Fellers. Officers to be elected at the next meeting will be first vice commander, second vice commander, chaplain and judge advocate.

A standard Roman cohort contained about 600 men.

Increased Pension Bill For Congressmen Passed

By WILLIAM F. ARBOGAST
WASHINGTON (AP)—A bill to increase pension payments to Congress members was passed by the House yesterday and sent to the Senate.

One new provision would lower the retirement age for House members and senators. Present law permits pension payments only after a member has reached the age of 62 (unless he's disabled), and then only if he has paid into the pension fund for at least six years. The proposed new law would permit retirement at full benefits at age 60 after 10 years of service, or at age 55 after 10 years of service but at a slightly reduced rate.

Another change would allow members to have their pension pay computed on any five consecutive years of service. Present law bases the computation on the average salary over the member's entire service.

Members would pay into the retirement fund on the basis of \$15,000 annual salary instead of \$12,500. The \$2,500 expense allowance paid to all members would be classed as salary. No change is made in the contribution rate, 6 per cent annually.

Rod and Gun club and the Idanha firemen brought in \$200. The remainder was brought in by service clubs and individuals.
