

Church Women Plan Breakfast

Of special interest for all women delegates to the Oregon Council of Churches Convocation this week at the First Christian church, as well as to local church women, will be the Women's Breakfast scheduled for 7:30 Thursday morning at the First Methodist church.

Mrs. Victor P. Morris, Eugene, wife of the acting president of the University of Oregon, will speak on "The Church Woman's Responsibility in World Affairs." Mrs. Morris is recognized as one of Oregon's leading women speakers in the realm of international affairs and the United States. She is a member of the Oregon Council's Social Action Committee.

Attending the breakfast will be Mrs. G. Henry Green of Milwaukie, state president of the Oregon Council of Church Women who has just returned from a meeting of state presidents in New York City called by the General Department of United Church Women of the National Council of Churches. Other state council officers, delegates to the convocation, will be introduced by the local council president, Mrs. Ernest J. Goulder, who will preside.

Reservations for the breakfast may be made with Mrs. J. Edgar Purdy at the office of the First Methodist church.

St. Luke's Plans Band for School

WOODBURN—Mrs. Robert Miller, secretary-treasurer of the newly-organized Band Parents club of St. Luke's parish school, has announced that a first band instruction class will be held at the school for St. Luke's pupils from 4 p.m. to 6 p.m. Thursday, Feb. 4, with J. L. Dyrud, band instructor from Silverton schools, in charge.

The class is the result of several months planning to secure an instructor, instruments, available class time and to create parent and pupil interest. The project was begun by the Christian Parents club, a committee headed by Mrs. Clair Nibler working out details of the plan.

At a recent meeting in St. Luke's parish hall the Band Parents group was organized. Killian Smith was named president; Joe Gamroth, vice-president, and Mrs. Robert Miller, secretary-treasurer. The committee met with Dyrud last week to line up instruments needed and determine the number of children who would be actively interested.

Fifteen children are expected to take part in Thursday's initial class meeting every Wednesday thereafter at 4 p.m.
