

HURRY TO SAFEWAY'S STORE-MANAGERS' SALE!

What! No Special Discount on Case Lots!

This may seem to be a strange policy, but here is our reasoning: In order that all our customers may enjoy full savings, regardless of the quantity they wish to purchase, the price reductions we are featuring during this sale have been made on a single item. If you buy only one can or package you get the maximum savings. Should you choose to buy more than a single unit, however, your savings multiply in direct proportion to the amount purchased. For example: when you save 3c on the purchase of a single item, you can save 36c when you buy 12.

Safeway Annual Mid-Winter Food Sale, the Greatest Collection of reduced prices we have ever assembled for you!

SALE CONTINUES THROUGH SUN., FEBRUARY 14th. PRODUCE AND MEAT FEATURES EFFECTIVE THRU Sunday, Feb. 7. We reserve the right to limit quantities.
