EVERY SATURDAY NIGHT

If a man ties a string around his finger every Saturday night, will it remind him to go to Church on Sunday?
Hardly! The man who needs that kind of reminder to care for his soul would never go to the trouble of tying the knot.
No one ever forgets to go to Church! But some folks just stay away intentionally.
And it's not that they forget to set the alarm on Saturday night! Those folks have made it a habit not to set the alarm.
The decision to worship God is not one to be made every Saturday night, or every Sunday morning. It is a decision that Christians make once and for all!
Make that decision today! Plan to worship every Sunday. Bring your entire family to Church every Sunday. Pledge your constant faithfulness to God—with no strings attached.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
