

NOT QUIET NOW

Rudy Sterpka, Jr., 20 months, is giving his mother a real careful. A growth had blocked Rudy's larynx and a silver tube was inserted so he could talk. Even when he was crying as hard as he could no sound came from Rudy. Now he has outgrown the growth and the Sterpkas have a normal noisy home in Cleveland. (UP Tele-photo)

Three Die in Albany Fire

ALBANY, N. Y. (AP) — Three persons perished and six were injured early Thursday in a fire that gutted the Eagle Hotel, about three blocks from the state's executive mansion.

Firemen looked for other possible victims.

The three bodies discovered were not identified.

Six of the 28 persons registered in the 30-room hotel at Eagle Street and Hudson Ave. were taken to Albany Hospital. Two were discharged after treatment for "light shock."

One of the injured had jumped from an upper story.

Firemen had flames under control about three hours after the fire broke out. Nearly all the city's fire-fighting equipment was sent to the scene.

A shell of the 4 1/2-story brick building, midway between the governor's mansion and the state capitol, remained.

The cause of the fire was not determined.

Lions to Distribute Heart Fund Boxes

Lloyd G. Hammel, general chairman of the Heart Fund Campaign for Marion County, announced today that distribution of red heart-shaped collection boxes had been completed by a corps of volunteer workers under the direction of the area Lions Clubs. The boxes have been placed in strategic locations in theaters, restaurants, service stations, mercantile establishments, public buildings and other locations of the community.

"It is hoped," Mr. Hammel said, "that these receptacles will serve as a constant reminder to the public that we should open our hearts when we open our purses."

The heart-shaped boxes will remain in place throughout February and will be collected at the conclusion of the campaign.

Valley Forge Story Told at Rotary Club

Boy Scout jamborees around the world, including those held at Valley Forge, in Austria and at Santa Ana, Calif., were described at Wednesday's luncheon program of the Salem Rotary Club by George H. Oberheuffer, executive of the Portland council.

The jamboree in Austria which attracted some 1000 scouts who were operated underground in the countries behind the Iron curtain and at Santa Ana, where the candlelighting ceremony made such a deep impression upon Vice President Nixon.

The speaker was introduced by Gordon Gilmore, executive for Cascade area council which includes Marion, Polk and Linn counties.
