WASHINGTON (AP) — Henry I. Dworshak, son of Sen. Dworshak (R-Idaho), is listed as a registered lobbyist for the American Mining Congress in the latest quarterly report of the House and Senate.

Young Dworshak, whose father is chairman of the Senate public lands subcommittee, listed his compensation for the July, August, September period as \$900 and his expenses as \$146.50.

The son said in response to a telephone inquiry that his work consists of accumulating information both from capital hill and government agencies for two bulletins the Mining Congress puts out for its members.

# Pope Able to Give Message

VATICAN CITY (UP) — Pope Pius XII's condition has shown such improvement that he probably will deliver personally his traditional message to the sick of the world tomorrow, Vatican sources said today.

The sources said Vatican radio technicians tested the ailing Pontiff's voice last night and found it strong enough to make a recording.

These sources said the technicians planned to put the 12-minute address on tape this afternoon for broadcast over the Vatican radio tomorrow.

The subject of the Pope's broadcast has no connection with his current illness, gastritis. He sends his message to the world every year.
