The second open meeting of Veterans of World War I, Salem

Phill Thompson, 2189 North 34th, unit manager for Stanley Home Products, was notified by telegram last night that he world. He and his wife Caroline will be flown to New York Wednesday with all expenses paid and will fly back Sunday. His selection as contestant on the program was made when a Payoff partner letter telling why his wife deserved a chance at the best letter of five submitted last week. His letter was read on the program last Friday.

Upon their reading of the letter, Thompson has already won for his wife shoes, hat, blouse, dress, handbag and watch. Each

The second open meeting of Veterans of World War I, Salem Barracks, will be held February 15 at 8 p.m. at Reasen Hell 248 New York will add prizes. If Thompson should answer four questions successfully he and his Thompson should answer four questions successfully he and his wife would receive \$2000 to \$3, plant, plus those at Erie, Pa., and \$5000 mink coat, and a trip anywhere in the world.

UE represents the 32,000 workers in GE's Schnectady, N. Y., plant, plus those at Erie, Pa., and \$5000 mink coat, and a trip anywhere in the world. and Southern Oregon will be the \$5000 mink coat, and a trip any-

Election of officers will be held at the Monday meeting. In- last summer, and after five cluded in the slate of offices to be filled is first and second vice president, chaplain, and judge

Thompson wrote his letter five months had given up all hopes of having it accepted. In his letter, his reason for thinking his wife was reserving of the Pay-off was that she patiently sat home while he went out with

Thompson recently r from Portland to Salem. All World War I veterans are invited to attend the next open meeting of the organization, from Portland to Salem. The Thompsons have two children, a son Lex Charles, 2, and a daughter Crystal Gay, 1.

# **Future Profit Seen in** Royal Anne Cherry Crop The cast includes: Elizabeth Winship, Arlington, Calif., as "Electra;" Carl Ritchic, Salem, "Orestes;" Sheila Ryan Laue, Warwick theater player as "Cly-

iety be materially increased. Condemnation by the Pure Food

of cherries at U.S. ports of entry since 1949 and subsequent falling off of imports is one of the prin-cipal reasons for the new recommendations, Robert Shinn, manager, Willamette Cherry Growers, told Polk-Marion cherry growers meeting in Salem vesterday.

der cool weather conditions prevailing during the growing season in the Williamette valley are larger in size, finer grained in texture and of better quality for brining than from any other cherry grow-

ing district, Shinn said.

The total U.S. pack of brined cherries for 1953 has been sold and manufacturers indicate the entire pack will be processed and go into trade channels before the 1954 pack is available. The use of Maraschino and Glace cherries by the consuming public is steadily increasing, this year 265,993 bar-

rels of 50 gallon capacity will go into that use, Shinna noted. The industry has operated under constant threat of cheap brined comercial planting cherries from Italy. Condemna "Vernon," from Ontario, Canworm infestation. The largest amount condemned in one year was in 1953 when it totalled more to cracking. than 330 tons, according to Shinn's

and Industries Foundation has Insect and disease problems were started a promotional program to stimulate the use of canned sweet.

stimulate the use of canned sweet cherries. It will be correlated with canned Bartlett pear advertising. In the past few years the volume pack of Lambert and Bing cherries has been steadily increasing. Stinn concluded.

"There are many ideal sites for sweet cherry plantings in Marion and Polk counties." Quentin Zielinski, associate horticulturist at Dregon State college, told the group. Both soil and topography must be considered in plantings must be considered in plantings which was attended by 75 and no skill or effort can compensate for a poor location, he warn-sate for a poor location and topography many location of this district is about equalled by the district is about equalled by the was consumption of this district is about equalled by the was concurry the warn of the central Williamette valley, mostly in Marion, Polk and Yambill counties. Production of this district is about equalled by the waso county as the waso county and the waso county

Condemnation by the Pure Food ommended trees be set a mini-and Drug department of 1,365 tons mum of 30 feet apart, some orch-

izers in tree tops.

Oregon State college has been testing 350 varieties of cherries in projects which have been tied in with disease resistance work. So far, Zielinski said, they have not come up with any spectacular new varieties with some do have dis-tinctive attributes such as resist-

"Van," a black cherry of the Bing type was brought here about 10 years ago from the British Columbia experiment station and has possibilities as a replacement. for Black Republican as pollen-izers. The fruit is firm, of equal quality to the Bing and is in the vanced AFROTC cadets.

nan 330 tons, according to Shim's

Jim Smart, enerry grower in the
Zena district talked on his experishinn said the Cherry Growers
na industries Foundation has Insect and disease problems was named alternate delegate.

# 2 Teenagers Die in Crash

serial ILE. — Two teenagers were killed and five other persons were injured seriously late Friday night in a two-car smashup on the Seattle-Tacoma highway. The dead were identified as Marliene Gorman, 15, and Bruce Setran, 16, both students of light

stariene Gorman, 15, and Bruce
Setran, 16, both students at Highline High School, south of Seattle.
Setran was killed outright. The
girl died en route to å hospital.
Injured were Bill Young, 17;
Fred Symes, 16: Darrell Walden,
17, and Eugene B. Kasper, 31.
Kasper owned a store at Auburn.
The others were also Highline
High School students.
Young suffered severe chest in

Young suffered severe chest in-juries and was not expected to

The State Patrol said the car in which the teenagers were rid-ing, believed to have been driven by Walden, spun out of control and into the path of Kasper's northbound machine.

northbound machine.

The impact sent five of the teenagers sprawling to the pavement.
Setran was found dead in the car
in which the teenagers were riding and Kasper was found injured
in his auto. He was alone.

The State Patrol said preliminary investigation indicated Walden had been racing with another.

en had been racing with another southbound car when his vehicle spun out of control. The rear end of Walden's car swung across the center line and it was struck by Kasper's vehicle.
