

4-H Leaders Meeting Set

Miss Esther Taskerud, state 4-H agent, and Jim Ellings, extension livestock specialist, will have important parts on the Marion County 4-H Leaders program Thursday evening at Central Howell school.

Bill Williams, 4-H Leaders president, urges leaders to be on hand at 8 p.m. for the short business meeting which will precede the project discussion sessions. Leaders and parents are encouraged to attend these meetings which are open to the public.

Four "I" contests will be discussed by Miss Taskerud, Priscilla

Durham, Keizer 4-H member and junior leader, Bea Humphries and Anthol Riney, county 4-H agents.

Plans for the 1954 Spring Show which is scheduled for Silverton Army Airfield May 3-7, will be covered by Mrs. Humphries for the leaders of those projects.

Livestock leaders who have feeds and feeding questions relative to their club will find Mr. Ellings discussion very helpful.

Refreshments are being provided by the Silverton 4-H leaders following the meeting.

FILM AT JEFFERSON
JEFFERSON — The Youth Fellowship of the Methodist church is sponsoring the third in the series of moving pictures on the ministry of St. Paul Wednesday night, Feb. 17.

Zone Problems Get Attention

An opinion by City Attorney Chris J. Kowitz holding against the Willamette Valley Transfer Company, erecting a building at 1920 Highway Avenue for storage purposes will be debated at a meeting of the City Planning and Zoning Commission Tuesday night.

The area is in a C-2 zone, and the city attorney's opinion, written about a month ago, holds that warehouses are not permitted in that zone. It would be permitted in a C-3 zone, which is the classification of the nearby Luna Avenue district, and it is reported that an effort may be made to get the Highway Avenue area embracing the transfer company's location changed to a C-3 zone.

The commission will give a public hearing to the request of Sydney Lambias, 1240 Icel Court, for permission to build a dwelling on Lot 9 in Cation's Addition. The case involves varying the side yard lines two feet on the north and four feet on the south. No written remonstrances have been filed.

City Recorder Alfred Mundt has prepared two notices of public hearings in March. One of these will be before the City Council on March 8 on application of Mr. and Mrs. Fred M. Snider for a variance to permit them to convert a concrete building, formerly used as a pumping station, into a small office building. The location is at South Commercial and Superior.

The other hearing advertised will be before the Planning and Zoning Commission March 9 on application of Mr. and Mrs. A. J. Becker for variance to build a single-family dwelling and garage on premises at 590 South Liberty.

chaplain, Emmett A. Dickson; sergeant at arms, George Fellows; judge advocate, William Bliven; three-year trustee, Lloyd C. Demarest; two-year trustee, Frank M. Strausbaugh; one-year trustee, Emery A. Raboin.

An organization meeting of the Ladies Auxiliary will be held at Eagles hall March 15 with Mrs. Jack Deleage of Eugene, regional vice president, presiding.

Catholic Daughters To Join Air Watch

STAYTON—At their meeting last Tuesday, the Catholic Daughters of America voted to air over one day a week at the air observation post after a talk by Mrs. Ruth Spaniol on the post and its use in the community.

Father John Francis, a member of the third order of St. Francis, spoke on the subject of St. Francis of Assisi and played a recording on the Hour of St. Francis.

Rev. Math Jonas led the rosary before the meeting. In business of the evening, the 18th day of March was selected for a day of Recollection to which all ladies of the parish are invited. Subscriptions to Catholic publications were renewed for the Veterans' hospital and a donation was made for games for the veterans' TB hospital.

Grand Regent Mrs. Rose Bell appointed Mrs. Clara Basl and Mrs. Hattie Samek as CDA representatives on the Bean Festival committee.

The entertainment committee included: Mesdames Thelma Hermans, Marie Kirach, Elizabeth Murphy, Maude Robl, Agnes Silbernagel, Rosa Mond Hendricks, Josephine Spitz, Norma Etzel, Luella Nielson, Bertha Basl, Virginia Beitel, Corine Etzel, Marcella Etzel and Ida Welz.

Stayton High Taps Delegates

STAYTON—An estimated 500 high school students will gather in Eugene from Feb. 25 to 27 for the annual International Relations League conference, representatives from Oregon and southeastern Washington schools.

Seven delegates will be sent from Union high school in Stayton from their IRL club. From among them, Miss Janet Bellin, junior, was selected by the state convention committee to serve as discussion leader at one of the round tables. Named by the committee as a faculty advisor at the convention was Jack Gardner, school instructor and club advisor. Miss LaDonna Robl was appointed by the local club to serve on the credentials committee.

The names and recommendations of three junior class members, Bruce Philippi, Janet Bellin and Marjorie Frichard, were submitted by the club to be considered as officer in the state league.

One of the features of the club is top remote world peace through tolerance and understanding. Among other things, club members recently sent a plow to India and sent care packages to foreign countries. Under sponsorship of the IRL, two Linfield college students from Formosa spoke before the high school student body February 8.

When the Republic of Indonesia gained its independence in 1945 the people were about 93 per cent illiterate, but officials of the country say that 35 million of its 83 million people have been taught to read since that time.

Dallas Bleachers Here, But Installation Waits

DALLAS—True to the old adage "all things come to those who wait" the bleachers for the new high school arrived by truck Friday. The assignment was billed from Philadelphia, Pa., according to George Kurre, a member of the school board. However, Kurre further states, they will not be installed until sometime later, as there are only two installation crews at work on the Pacific coast, so Dallas will have to wait its time.

Sufficient bleachers to seat 1,080 spectators were ordered some time ago from a manufacturing concern at Wayne, Pa. North Marion — 8

Septic Tank Owners Take Notice

Home owners have discovered that septic tanks stop-up and overflow. Two reasons are—first, because the tanks are not cleaned at proper intervals; secondly, toilet tissue that does not readily disintegrate may clog the drains and force them to back up! This situation can be partially averted by buying the proper toilet tissue.

Recognizing the importance of this, MD Toilet Tissue is processed so that it absorbs water completely and quickly! People who know about—and use—MD Toilet Tissue have less trouble with clogged discharge drains in their septic tank system.

Follow this plan for best insurance: Consult your County Health Department, your plumber, or a septic tank service company, for advice on cleaning your tank. Use MD Toilet Tissue!

Barracks Sets Date For Installation

Salem Barracks, Veterans of World War I, at a meeting Monday night set March 15 at Eagles hall as the time and place for installation of officers.

The Barracks Monday night meeting at Beaver Hall, heard Hal Barnes of Portland, regional vice commander, and Jim Waldt of Eugene, tell about the program of the new organization.

It was agreed to hold the final open meeting at Beaver Hall March 1, which also will be the date for charter membership. Application blanks are available at the Rialto Cafe or at 392 South High street. All men with not less than 90 days service in World War I are eligible to join and become charter members.

Temporary officers now are: first vice commander, Eugene J. Dietz; second vice commander, Amos J. (Nick) Perkins; adjutant and treasurer, Ralph J. Baldwin;
