

This grade is now the **ONLY** grade of beef sold at your Safeway Store

to assure you of Nothing Less than Top-Eating Quality!

Starting with just the top grade is vitally important to our plan of bringing you fine-eating beef. But it's not enough. To make sure this meat reaches your table in perfect condition, Safeway makes certain that all Beef and Lamb is correctly AGED. This aging process results in peak tenderness and flavor.

Then, at the store, your Safeway meat men carefully trim off all excess bone, fat and waste BEFORE WEIGHING to give you full value for your meat dollar. Consider these facts when you decide where you will shop for beef steaks and roasts. We think they add up to this conclusion:

You can't buy Better Beef Anywhere than you can at your Safeway Store. Here is Our Guarantee: You must be pleased 100% . . . or All your money back.
