### Couple Wed at McMinnville

McMINNVILLE — A bride of February 6 was Miss Gloria I. Herzberg, daughter of Mrs. Carol I. Herzberg. She was married to Lloyd A. Geraths, son of Mr. and Mrs. Paul Geraths, Lyons, at a double ring ceremony at 2 o'clock at St. James Catholic church with the Rev. Daniel K. O'Connell officiating.

The altar was decorated with anapdragons.

Given in marriage by her brother, George Herzberg, the bride wore an embossed nylon wedding dress fashioned with long pointed sleeves and full train. The bride wore a pearl fingertip veil and carried a gardenia and stephanotis bouquet centered with a white orchid.

Miss Lila Herzberg, sister of the bride, was maid of honor. She wore a dotted Swiss nylon, waltz length dress of yellow and carried a yellow rosebud nosegay.

Miss Nova Ann Geraths, sister of the bridegroom, Lyons, and Miss Doreen Fowler of Lowell were the bridesmaids and wore pale blue dresses and carried pink rosebud nosegays.

Gene Small, Mehana, was best man and Ed Small, Mehana, and Paul Herzberg, brother of the bride, ushered.

The bride's mother wore a purple dress with winter white accessories and the bridegroom's mother wore a beige dress with navy blue accessories.

A reception followed at the parish hall. Mrs. Hazel Gildow, sister of the bride from Aumsville, cut the cake. Mrs. Jeannine Herzberg, sister-in-law of the bride, poured, as did a sister of the bride, Mrs. Maxine Stevenson. Mrs. Margaret Fisher and Mrs. Hannah Dexter, aunt of the bride, assisted. Others assisting were Mrs. Dolores Herzberg, sister-in-law of the bride, and Miss Helen Stevenson, niece of the bride.

For traveling the bride wore a green and brown checked suit with brown accessories and an orchid corsage. The couple are now at home in McMinnville where both are employed.

To plunge right into the context of the column, let's begin with the State Posse convention in McMinnville last week-end.

A small group went over from Salem, came back, and reported that it was a fun-up event. All the posesses in the state were represented and there was quite a crowd there.

Saturday night, in Portland, the Western Riders of that city gave a dance, and invited all of our people. A large group did go, and from all the enthusiasm shown by them on their return, they really had a good time.

Speaking of Portland, the Saddle Club Drill Team has accepted the invitation of the Western Riders to put on their drill at their show the 28th of this month. The show is to be both the 27th and the 28th, and the drill will be at 2:00 on Sunday.

Last Wednesday night, there weren't quite enough out to make up a complete drill team, but anyhow, they drilled as best

### Korea-Japan News Line Cut

SEOUL — The Army, without prior notice, suddenly halted the telephone transmission of news copy from Korea to Japan Friday.

The line which during the war was used by the Army Censorship Office to transmit correspondents' news to Japan for radio transmission to the United States and other countries was cut at 10 a. m. (5 p. m. PST Thursday).

Later news agencies in Tokyo were told the Army plans to transmit all stories by its much slower teletype system.

A spokesman said "this is strictly an economy move, occasioned by a lowered budget." Censorship will remain.

### Davis Supports Farm Program

DES MOINES (AP) — Asst. Secretary of Agriculture John H. Davis, who soon will resign, Friday defended present federal farm programs as having helped to prevent an agricultural depression.

This view contrasted with the sharp attacks made on them by Secretary of Agriculture Benson who has contended the programs have tended to price farm products out of markets, create surpluses and bring on government controls.

In a speech prepared for the 16th annual National Farm Institute, Davis said a 5 per cent decline in farm prices last year should be a matter of concern, and he added: "Granting that these farm programs are somewhat crude, imperfect, expensive and inefficient, still they have been of great value

to all America and to all of the free peoples of the world." Davis said that the programs—which feature high-level farm price supports and production controls—had helped stabilize farm prices and prevented "setting in motion a series of events such as those that led to depression during the twenties and thirties."

The assistant secretary announced recently that he will give up his post soon to join the staff of Harvard University. Friends have said differences in views with those of Benson on farm policies were a factor in his decision to quit.
