THE PARABLE OF THE SHIP

§ Sin is the anchor on a man's soul. It lets him drift with every current and be buffeted by every storm, but it keeps him tied to the FLOOR of the sea.

§ Faith is the sail that rises from man's soul. It links his life to a Strength ABOVE and carries him forward to his destiny.

§ What good is the sail if the anchor is down?

§ That, in parable, was man's spiritual dilemma through all the ages before Christ.

§ And, in parable again, the simple truth of the Christian Gospel is that Jesus Christ in dying for the sins of men has forever cut away the anchor!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
