

Most Wanted Man Nabbed

ATLANTA (AP)—A 32-year-old Tennessee who was one of FBI's 10 most wanted men has been arrested on charges of burglarizing a grocery store.

Nelson R. Duncan of Memphis was picked up yesterday morning by city police after a routine check of a store aroused the suspicion of officers.

Nelson and a man listed as Thomas L. Sirey, 21, of Springfield, Tenn., were tearing open a safe which contained about \$2000 when police found them, Detective H. J. Standridge reported.

The two men were unarmed and did not offer resistance, police said.

The FBI says Duncan is wanted on charges of interstate transportation of a stolen automobile, unlawful flight to avoid prosecution and violation of the federal fire arms act.

PTA to Study Grading System

HUBBARD—A committee was appointed at the Monday evening meeting of the Hubbard Parent-Teachers Association to investigate report card grading systems.

On the committee are Mrs. Manton Carl, Mrs. Steve Ensign, Mrs. Boyd Brown and Mrs. C. K. McNary.

Several complaints from parents on the grading system used here have been turned in. The committee will report to the first PTA meeting following the collecting of information on other grading systems and an open discussion and vote will be held.

The program Monday evening was highlighted with a film on Cub Scouting shown by Thomas Leupp with questions answered by Pat McLaughlin and Ralph Pickering both of Woodburn. The PTA voted to sponsor Cub Scouts here and selected Boyd Brown as representative from the organization.

The attendance award, the Oregon flag, was won again by the second grade. Mrs. James Lamb and Mrs. W. T. Lord were appointed to assist on the state convention hospitality committee, April 21, 22 and 23, in Salem.

Observance of Founders Day included reading of a paper by Mrs. A. J. Heer, honoring two past presidents, Mrs. Charles Vredenburg and P. H. Hostetter. Refreshments served by the second and third grade mothers followed the Founders day theme with a decorated sheet cake.

Sounds so high pitched that the human ear is unable to hear them can sterilize food, mix paints, kill germs, homogenize milk, clear away fog and smoke and wash clothes, says the American Hearing Aid Association.

OFF FOR BRAZIL

Actor Fred MacMurray and June Haver pause on the ramp of a plane before taking off from Los Angeles with 16 other Hollywood notables for the first annual Brazilian Film Festival at Sao Paulo. Last week Miss Haver, who returned recently from a Kansas convent to resume her Hollywood career, said she and MacMurray have been "going steady" but that it was too early to discuss a possible marriage. 1953 Tax Topics

No. 12
Income Tax Return
Long-Form 1040

If your nonbusiness deductions are more than 10 percent of your income, you will ordinarily save money by itemizing your deductions on Long-Form 1040 in making your 1953 income tax return. You will then figure your tax according to the computation on page 3 of the return, and file the entire form, which is called a life-form return. If your non-business deductions are so close to 10 percent that you are in doubt which is the better form, try both the short form and the long form of 1040 to see which gives you the lesser tax.

Ship Owners Blame Senator

LONDON (UP)—Irate British shipowners blamed Sen. Joseph McCarthy today for the U. S. Navy's alleged "shadowing" of British vessels suspected of dealing with Red China.

The Chamber of Shipping of the United Kingdom said in its annual report, released at mid-

night, that British vessels were being trailed systematically because McCarthy has charged that Britain is aiding Red China by trading in strategic materials.

In Washington, the U. S. Navy denied the charges. "It just is not true," a Navy spokesman said.

Try the POWER of the CENTURY

It's the buy of the year for folks who want high performance at a low price

At the wheel of Buick's 200-hp CENTURY, something tremendously exciting is waiting to happen to you.

It's the wondrous thrill of commanding a phenomenal performer that's yours for hundreds of dollars less than the middle-price cars.

We can give you here just a quick summary of the sensational facts about this spectacular automobile:

It has the highest horsepower ever placed in a standard-production Buick—and the highest compression ratio, 8.5 to 1.

It has the highest power-to-weight ratio of any Buick ever built—with a cyclonic 200-hp V8 engine driving with unbelievable ease the nimble weight of this sizeable car—3852 pounds, for the CENTURY shown here, as it comes off the assembly line.

It carries a price that puts it substantially below the highly popular Buick SUPER—a price that buys more horsepower per dollar in a CENTURY than you get in any other automobile in America.

If it's true high performance you want, at a truly modest price, come in and meet the CENTURY close up—behind its wheel. You'll find it the buy of the year, hands down.
