

# Centennial Work Started

SILVERTON — Among the various groups of town assigned duties for supervision of activities that require time-element consideration, aside from the Jay-Cettes and their "splash" beginnings for the aquacade, are the Lions club and the Lions auxiliary for the August 4-8, Silverton Centennial.

The men are to organize several phases of beginnings, completions, types of whisks, etc. Surety of a good job is evidenced by the personnel of the whisker committee, with Frank M. Powell as chairman, assisted by Bruce Billings and Harley De-Peel.

Although the committee has set May 1, as the designated date for all whisker growers to begin the race, pre-beginners are heartily welcomed as in the case of J. D. Drake, local historian and photographer, who just isn't shaving any portion of his face and has a goodly beginning now. The committee feels tempted to give a prize for the name of Drake's growth of the iron-grey shade. A man with a "tailored" growth is Kellner a former shoe doctor, has a distinguished white upper chin goatee and trimmed mustaches. Many others, specially, the younger men, have dark growths, more to the pioneer taste.

A little lady in a wheel chair is getting much encouragement of her former profession as a seamstress, Mrs. Lela Shepherd, who sent to the state library for style books of various years from pioneering, on. She is swamped with calicos and silks and in matching each completed costume with a bonnet, either dress, or work.

Mrs. Norman Nyhus, Lions auxiliary chairman, and her committee, Mrs. Ernest R. Ekman and Mrs. William Bolch, are welcoming Mrs. Shepherd, herself married to a descendant of a first family of pioneer days. She will soon be able to leave her wheel chair if her enthusiasm has anything to do with her interest.

# Indian Who Claimed To Be 115 Years Dies

KOMATKE, Ariz. (AP) — Alex Tashquith, Pina Indian, who claimed to be 115 years old, died yesterday in his one-room adobe home near here.

He was the last of Arizona's "Long Hairs." He had kept his hair long in traditional Indian defiance of the whites, and even refused to have a doctor treat a fractured leg which he suffered three weeks ago when he fell out of bed.

# East Salem

One year pins were awarded to Mark Holte, Dwight Ferris, Billy Coehell and Dennis Loftheim. Two year pins went to Jon Loftheim and three year pin to Richard Seburn and James Wilson. The pack charter was presented to Mrs. Mabel Sumpter, the school principal. Two films were shown by Junior Eckley.

East Salem Kindergarten and Nursery on Park Ave. will start the spring semester, March 2 with a new program. Limited transportation is provided for the area between Swegle school and the Four Corners. The past week one of the members, Dick Blackburn, was honored with a birthday party with games and special refreshments. His guests were Sherrol Henderson, Billy Davis, Katharine Zielinski, David Price, Douglas Donaldson, Wanda Hoffman, Douglas Enfield, Maureen Baker, Kathy Lou Tandy, Greg Donaldson, Paul Stark, Vickie and Barry Mathews.

Merry Mingle's club meets Thursday of this week in the home of Mrs. Ernest Butler on Silverton Rd. at 1 p.m.
