

BLUE RIBBON AWARD

Explorer Scout squadron No. 6, Salem this week received a Blue Ribbon award from the Exploring and Scouting Magazine. Shown here looking at the award, the first to be received in Salem, are a member of the advisory committee for the Scouts (seated), Capt. Theodore M. Velde, (left standing), explorer project officer for the Cherry City District, and Master Sgt. Robert Howard (standing right). All are from the AFOTC detachment at Willamette university. The award to the squadron, which is sponsored by St. Joseph's church, is for a part of one of the reports of the outfit, which will be used in the magazine. It came from Boy Scout Headquarters in New York. Squadron 6 was organized here in September, 1953 and has about 20 boys. (Air Force Photo)

Marion County Chest Elects

The Marion County Community Chest had its annual meeting at the Chest headquarters Wednesday evening at which Dr. David J. Ferguson was re-elected president. There was a good representation from the various points in the county.

It was reported that \$12,005.23 was received in the campaign during 1953, and it was allocated among the participating agencies as follows: Boy Scouts, \$2,928.44; Camp Fire Girls, \$1,003.90; Girl Scouts, \$1,230.02; and Oregon Chest, \$5,161.32.

There were reports from incorporated Community Chests in the county, Silverton, Stayton, Mt. Angel, Mill City, Woodburn and Salem.

Each of the participating agencies were represented at the meeting: Boy Scouts, Gordon Gilmore; Camp Fire Girls, Miss Esther Fuenning; Girl Scouts, Miss Margaret Johnson, and Oregon Chest, James Shelton. Each one explained the program and told the number of units in the County and some of their particular problems.

There was a symposium led by Dr. David Ferguson, president, centering around public relations in each of the various communities and how to get a better interpretation of the work of the Chest. There seemed to be a feeling on the part of several of the representatives that many people do not understand that the Chest was the vehicle for raising the funds for the participating agencies.

Emphasis was laid on "Come and See Tours" to both the youth agencies in their own community and the state-wide agencies financed by the Oregon Chest. A tour to state agencies is planned within the next two weeks.

Other officers were elected as follows: Vice presidents from eight districts: Mt. Angel, Leonard Fisher; Woodburn area, William Marriott; Mill City area, Russell Kelley; Silverton area, Leonard Kephart; Stayton area, Gene Teague; Hubbard-Aurora, Sam Smith; Jefferson, Cal Hughes; Turner, Loren Hicks; treasurer, A. A. Atherton; executive secretary, C. A. Kells.

E. D. Hanneman Wins Promotion

Eugene D. Hanneman, farm forester for the state forestry department in the central Willamette valley area for the past six years, has been named to the position of assistant rehabilitation director.

An employee of the state forestry department on a permanent basis since January 1, 1947, Hanneman after a year with the protective division was assigned to the farm forestry work. He takes over his new duties March 1.

Hanneman's work will include pre-planting surveys on state lands for determining areas to be planted and procedure to be followed, direction of aerial seeding activities and the coordination of the work of his department with that of the protection division in fireproofing areas.

The forestry studies of Hanneman at Oregon State College were interrupted by World War II. During that time he served with the field artillery from March, 1942 until April, 1946, and for three years was in the South Pacific, where he received the Silver Star and the Purple Heart. In the summer of 1946, Hanneman had charge of the 20-man emergency fire crew at Camp Arbutum and after it had disbanded returned to Oregon State college from where he was graduated the following spring.

MARKET QUOTATIONS
