Electra Opens At WU Tonight

Willamette university's produc-tion of the Greek tragedy "Elec-tra," under the direction of Robert Putnam, opens Thursday on the Waller hall stage for a three-night run. The curtain will raise at 8:15 p.m.

"Electra" is the second major presentation by the university drama department this season and first Greek tragedy to be produc-ed by the Willamette players in over 20 years.

First night audiences will see a special adaptation of Sophocles' "Electra," taken from eight different translations and transcribed for the Willamette presentation by Robert Putnam, director of theater. The entire play adheres as closely as possible to the original Greek production.

A full cast of 19 actors, costum-ed in original creations by Mar-querite Dawson, senior from Long-view, Wash., will enact the plot of hate, murder and revenge
