

Noted Piano Ensemble Appears Here March 15

The most noted piano ensemble in the United States—four instruments playing at once, will be brought to Salem Monday, March 15, by the Willamette University Distinguished Artist Series. It will be the last concert of the series and will be at the Salem High School Auditorium.

The piano quartet, first musical unit of its kind in the world, was heard for many years on a weekly program over NBC. It entered the group of the "much sought after category of artists" when the novelty and brilliance of the four artists was observed.

There are Adam Garner, Glauco D'Attili, Frank Mittler and Edward Edson. Four countries have produced the artists, Poland, Italy, Austria and the United States. All have played as soloists with famous European and American symphony orchestras, and each of the four is an experienced musician and arranger.

The handling of the numbers in their concerts is similar to the method employed in their radio series. Instead of the sustained appeal of several longer works, they break common concert tradition by offering a variety of short brilliant compositions of varying tempo and moods ranging from Bach to Shostakovich.

Tickets for this even can be purchased at Stevens and Son Jewelers in Salem. Reserved seats are \$3.00 and \$2.40 with student unreserved seats selling for \$1.80.

Seven Killed in Resort Blaze

GROSSINGER, N. Y. (AP)—Seven employees were killed and 26 injured yesterday as flames swept through a staff residence at the widely known Grossinger Hotel and Country Club in the Catskill Mountains.

Prompt action by fire fighters kept the blaze from spreading to other buildings at the resort, which had a week-end guest list of 900. Among them is heavyweight boxing champion Rocky Marciano, who is in training.

Fire authorities, who were continuing to investigate the cause of the blaze, estimated damage at \$30,000. None of those injured was reported in serious condition today. Many were hurt jumping in their night clothes from windows of the burning 2½-story stucco-covered frame structure.

Cpl. Batchelor Back in Home Town with Family

KERMIT, Tex. (AP)—A soldier and the home town and family he once forsok for communism were quietly getting reacquainted today.

Cpl. Claude Batchelor, self-described former leader of 21 other American prisoners who chose to stay with the Reds in North Korea, got home yesterday.

He was welcomed by his family at El Paso, where he arrived by commercial airliner.

How the approximately 6,912 citizens of Kermit will ultimately receive him couldn't be determined right off.

The town was Sunday quiet when he drove the family car to his parents' frame house that stands alone in its block.

This oil and cattle town on the west Texas plains is where Claude, now 23, grew up, where he played cornet in the high school band.

Kermit saw him leave as a youth of 16 to join the Army. Later it heard he'd turned "Pro." He set the town to talking again when, last New Year's Eve, he returned to the Allied side.

He seemed unworried after his homecoming. He said he was happy, hoped to get out of the Army

Lounging in white shirt and slacks, he told reporters: "Everyone is just as friendly as they can be." Then he added, "But I guess I should admit I haven't had much chance yet to talk to the folks here in Kermit. Some of my old friends have come around to say 'hello' already though."

He said he is not due to report at Brooke Army Medical Center, San Antonio, for a checkup until Wednesday.

"Right now I want to relax, maybe go fishing. And, after Brooke, I'll have a 30-day furlough. I hope to spend it here in Kermit."

He said his enticement has expired and he expects to be discharged quickly and "without a hitch." He has said he'd been told he probably would not be courtmartialled for his activities in communist prison camps.

Of his former relationship to communism, he said, "I've completely changed my mind about it."

Sheridan Budget Raise Is Explained

SHERIDAN—Cause of the increase in the Sheridan school district budget is the Chapman grade school addition built last summer.

Total estimated expenditures for the coming year will be \$287,571.75. The new budget is about \$23,000 higher than the current budget, with \$11,000 of the increase due to larger payments on indebtedness and higher interest rates. Operating costs will be higher also.

The amount to be raised by taxation will be less next year due to increased income from other sources. Total indebtedness of the district is \$258,500.

LaFyrne Pratt is District Clerk; Ursula Hibbert chairman of the Board of Directors; Luther Hyder secretary of the Budget Committee; and Charles W. Wright

chairman of the Budget committee. A meeting will be held at the high school March 10 at 8 p.m. to discuss the budget.
