## Mother Church Draws 7500

About 7,500 Christian Scien-tists in Boston today heard their board of directors describe spir-itual understanding as the key to universal freedom and scour

ity. Stressing the unlimited availability of spiritual understanding, the directors said that the heal-ing promises of practical Christianity apply "to every human being and every group and na-

tion. The Scientists had come from many parts of the world for the annual meeting of The Mother Church, The First Church of Christ, Scientist, which has branches in some 40 countries.
