House Restores Cuts In Aid to Airports

WASHINGTON (UP)—The House voted today to restore 22-million dollars which the House Appropriations Committee had cut out of funds for federal aid to airports.

The standing vote was 157 to 61 despite opposition of Appropriations committee Chairman John Taber (R-N. Y.).

President Eisenhower yesterday told congressional leaders he wanted the airport money and funds for shipbuilding and aid to hospital construction restored to a supplemental appropriations measure which the House committee had cut drastically.

The volume of traffic in Connecticut was 2.4 per cent higher in February, 1954, than in the same month of 1953.
