Fruit and Cookies Beverage

**QUICK TUNA CASSEROLE**  
Ingredients: Two 7-ounce cans tuna, two 16- or 17-ounce cans french green beans, 2 tablespoons minced parsley, 2 tablespoons finely-grated onion (pulp and juice), 1/2 teaspoon Worcestershire sauce, two 10 1/2-ounce cans condensed cream of mushroom soup, 2 tablespoons butter or margarine, 1 cup tiny soft bread cubes.

Method: Drain tuna and place in shallow baking dish; separate with fork into fairly large pieces. Drain beans and add to tuna; save bean liquid for use in soup or gravy. Mix parsley, onion, Worcestershire sauce and mushroom soup; mix lightly with tuna and beans. Melt butter in skillet; toss with bread cubes; sprinkle over baking dish. ## Some Notations

By M. L. F.

The outdoor Christmas tree at the Lester F. Barr residence at Washington and Fairmount streets is a showy one to see.

The Barrs have lighted the tree for more than 15 years, starting when it was quite small. Each year another strand of lights is added.

The tree grew 16 inches this past year and is now pretty well filling the corner where it stands.

Atop the glowing mass of lights is a large lighted star.

Some of the Christmas Daze: We scurried to a bakery counter to find some of our pet Christmas cookies. It looked as if only a dozen were there.

And that was about it, 13, to be exact.

The girl carefully placed the 12 in a box, started to lift out the 13th, then put it back, then popped it into her mouth as she murmured she better not give us the extra one.

We often wondered what happened to the little stray extra crumb now and then.
