HOW TO KEEP UP WITH THE JONESES

Do you keep your nose to the grindstone trying to give your family everything the Joneses have?

Then observe these neighbors carefully. They probably have something that escapes your notice.

They have family, friends, and material possessions. But they have something more.

Notice that the Joneses always attend the services of the Church. They have found that without spiritual guidance their other treasures are worthless. And they have discovered new solutions to their everyday problems. They view the world from a different slant, for they have found the faith to take life as it comes along.

The Joneses and more than 88 million other Americans are now church members.

If you really want to keep up with the Joneses, follow their lead. Find and cultivate the faith they've found. Go to Church this week . . . and every week, and make yours a Christian home.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
