HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Timberlands Reclassified

ALBANY - Reclassification of 7,000 acres of outcrop timberlands in Linn county for reassessment under the reforestation act was reported Friday by County Assessor John Sheppard, following a hearing conducted here by the U.S. forest service. The assessor explained that the reclassified land will be taken from the assessment rolls so far as tax purposes are concerned, and owners will pay 5 cents an acre per year in lieu of ad valorem taxes. Such lands, however, are subject to a 12 1/2 per cent yield tax if and when their new crop of timber is harvested, some 50 to 75 years hence.

Much of the reclassified area is owned by the Willamette Valley Lumber Company, the assessor said, with holdings owned by the Weyerhaeuser Timber Co., Louis G. Hill and M and M Woodworking Co. also included.
