Lebanon School Bonds Carry by Big Majority

LEBANON — By huge majorities voters of union high school district 1 and Lebanon elementary district 16, approved bond issues totaling $1,000,000, the first step in a long range plan which will provide adequate education for the area for many years to come.

Voters of the elementary district sanctioned bonding of $300,000 by a vote of 438 to 75. This move will give the grade school board use of the present high school for use of the upper grades.

Union high school I voters approved a $700,000 bonding program toward the building of a new high school on a 27-acre site in the southwestern section of the city. The vote was 515 yes and 133 no.

Some ground work on the new high school site has already begun and it is expected that the school will be ready for occupancy late in 1956. In addition to the bonds voted this week, U-I has a sinking fund of about $300,000 to be used in building the new school.

When it is finished it will be occupied by students from grades nine through twelve, the junior high school students to be housed in the old high school building in the city center. The four city grade schools will educate children through the first six grades only, but other districts comprising the union district will continue to handle pupils of the first eight grades.

Supt. J. W. King said bids for the new school will be called at once and work will be well underway this summer.

Voting on the two bond issues was the heaviest in the history of the districts. It was the result of nearly a year of study and planning which has been presented through a lay committee made up of members from all sections of the union high school district.

Woodburn Lets Sewer Contract

WOODBURN—The contract for construction of the sewer system in the southeast district of Woodburn was awarded to George W. Lind, Portland general contractor, at the city council meeting Tuesday night. Work is to start within 20 days and the completion date was set for Oct. 15.

Lind was low bidder among six firms figuring on the project. The mayor and recorder were authorized to sign the contract with Lind which is to include hot poured joints for the pipe in the system rather than the cold type used in the previous two districts.

Councilmen also accepted the offer of Clark & Graff, city engineers, to provide resident engineer and inspection service on the job for three per cent of the contract price.

An ordinance was adopted setting up a fund against which warrants could be drawn for payment of costs of the project. Assessment payments will go into the fund to retire the warrants which will not be a general obligation of the city.

Fire Chief Floyd Maricle gave a report recommending that the Elmer Broyless house on South Settlemier Ave. be eliminated as a fire hazard. The owner will be notified to remove the building or condemnation proceedings will be started.

Councilman Robert Hurst reported that investigations by the fire committee of the city and the rural fire protection district were continuing on the plan to establish a radio system at the Woodburn fire hall to handle fire calls for cities and districts in north Marion County.

ADAMS FARM SOLD

SALT CREEK — Mr. and Mrs. O. D. Adams have sold their farm to Mr. and Mrs. Dick Bartel and are planning to move to Arizona soon. Mr. and Mrs. Adams are seeking a warmer, dryer climate. They moved here from Roseburg several years ago. Mr. and Mrs. Bartel are buying the place for the timber, primarily, and do not expect to move to the place.

Man Injured In Motel Blaze

EUGENE (AP) — A former Alton, Ill., resident was in critical condition in a hospital here Monday from burns suffered in a motel explosion early Sunday.

State police said three other members of his family suffered lesser burns. They were described as being in fairly good condition Monday.

They were identified at the hospital as Dennis Wayne Beck, 56, his wife, Flossie Fay, 24, and two children, Mary Alice, 4, and John Ray, 18 months.

Sgt. Robert Baker of the state police quoted Mrs. Beck as saying the explosion came when she awoke early Sunday and lit a cigarette. She said investigation showed four burners of a gas range had been left open.

The motel was at Harrisburg, 18 miles north of Eugene. Baker said Beck came recently from Alton, Ill., and was looking for work.

New Probes of Procurement

WASHINGTON (AP)—Senate staff investigators went ahead with the spadework for new probes of government procurement today as Sen. McClellan (D-Ark) called for prosecution of "the nest of grafters" he said already has been found.

The Senate investigations subcommittee which McClellan heads completed four weeks of public hearings Saturday into military procurement activities centered around Harry Lev, a Chicago hatmaker who obtained lucrative government contracts.

Lev swore he had "definitely never" bribed anyone with as much as "one broken cent," although hearsay testimony had accused him of paying $50,000 to Air Force Capt. Raymond Wool. He told of giving some gifts, but no money, to other procurement personnel.

Aurora Pythian Sisters at Hubbard

AURORA—Eleven members of Una Temple No. 26, Pythian Sisters of Aurora, attended Arion Temple at Hubbard Tuesday evening, June 7, at which time the Hubbard Temple observed Flag Day.

Those going from Aurora included Amy Snyder, Florence Thiel, Cita Ottaway, Dora Thiel, Emma J. Snyder, Fae Gooding, Lois Schultz, Alice Miller, Belle Snyder, Lillie Schneider and Lena Mae Lambert.

Sammons Sees Bright Future

A bright picture of the economic future of Oregon was painted by Edward C. Sammons, president of the U. S. National Bank of Portland, in a speech to the Salem Chamber of Commerce at the final luncheon meeting of the summer at the Marion hotel Monday.

Sammons named three basic factors as most important to Oregon's economy. They are forestry and wood products, agriculture and the tourist business.

He freely predicted an upward trend in business for the first two and said our tourist trade, which last year amounted to $128,000,000, is unlimited.

The Portland civic leader cited figures from several publications which show 1955 to be far ahead of 1954 in economic growth, both on a local and national scale.

The only dark spot on the economic horizon, he said, is in the field of agriculture, which is weak in some spots. He was especially interested in the tourist business which he said "should be encouraged by the hand of good fellowship more every year."

President Elton Thompson of the Chamber presided. Arthur Atherton, vice president and manager of the Salem branch of the First National Bank, introduced Sammons.

Women Finish Havana Flight

HAVANA, Cuba (AP) — Twenty six women pilots finished the Washington-to-Havana air race Monday after a 90-mile overwater flight from Key West Fla. in calm, sunshiny weather. Winners in the sixth annual event will be announced at a banquet Monday night.

Bad weather knocked out 6 of 33 planes which left Washington Thursday. A seventh plane, piloted by Eleanor Davis, Arlington, Va., returned to Key West after leaving for Havana. Civil aviation officials here did not know why.

It was reported unofficially that Bernice Trimble of Flint, Mich., had a lead of 25 minutes at Key West and she was expected to win easily. The ladybirds are clocked on actual flying time.

Among those out of the race was Mrs. Zaddie Bunker, the flying great grandmother from Palm Springs, Calif.

Mrs. Bunker, at 63, was the oldest participant. After being grounded by bad weather in South Carolina. She flew on to Key West by commercial plane.

PRIESTS TO VISIT SOVIET

LONDON (AP) — Seven church of England priests left London by plane Monday for a visit to Russia. In Russia they will be guests for two weeks of the synod of the Russian Orthodox Church. It is the first time that the Russian church has extended such invitations to individual British clergymen.

Local Paragraphs

Embarrassed — When a Woodburn woman was stopped by a Salem officer Monday morning for driving with expired license plates, he asked her, among the usual questions, her occupation. The motor vehicle license bureau of the secretary of state's office, came the embarrassed reply.

Theft Charged—A visitor to Salem was arrested shortly after his arrival early Monday morning on a charge of petty larceny. Henry Koschmieder, Magalia, Calif., admitted that he had entered an apartment building and taken a jacket—one of two he was wearing when he appeared before District Court Judge E. O. Stadter, Jr., later in the morning. At the judge's suggestion, he doffed the jacket and returned it to the manager of the apartment building. Arraignment on the charge was continued and Koschmieder was ordered held in the county jail in lieu of bail.

Burglary Cleared — When Mrs. Leo Elser, 4045 Pringle road, reported to the Marion County Sheriff's office Sunday that someone had entered her place and taken a jacket and 91 cents, a deputy was dispatched to investigate. Noticing a trail through grass and brush heading toward Fairview home, he phoned authorities there. They would check, they said. A short time later, they called back. An inmate on ground parole had slipped away and returned with a new jacket and 91 cents, they said. The property was restored to the owner.

Gangsters Strip Singer for Photo

NORTH HOLLYWOOD, Calif., (AP) — A hotel busboy was arrested Monday on suspicion of being one of three men who invaded singer Alice Lon's home, stripped her, photographed her, drugged her and subjected her family to a night of terror and torture.

The pretty, 27-year-old vocalist performs with the Lawrence Welk orchestra and is billed as the "Champagne Lady."

Joseph M. Cannon, 25, was arrested at his North Hollywood home and booked at the Van Nuys jail on suspicion of robbery. Detectives Frank Lynch and Don Sheldon said he works as a busboy at the Beverly Hills Hotel.

They said he knows Miss Lon and has danced with her at the Aragon Ballroom in nearby Ocean Park, where the band and she appear. They said he had a collection of photographs of her.

At his home, officers said, he also had five copies of morning newspapers describing the assault and a camera containing exposed film.

The officers said Cannon denied guilt and claimed to have been in San Bernardino at the time of the assault.

Miss Lon, arriving at her home early Sunday morning after singing with the band, was met by three men wearing surgical gloves and stocking masks. Police said she was slugged in the abdomen and bound with torn sheets and her face covered with adhesive tape.

Pentagon to Cut in Tanks

WASHINGTON (AP)—The Pentagon is considering a new cutback in the production rate for M48 medium tanks, the Army's latest model.

However, officials familiar with the study said today, the reduction would not be a major cut in the monthly output. There was speculation it might be something less than 20 per cent.

A reduction in deliveries of the M48, now coming primarily from the Chrysler-operated tank arsenal at Newark, Del., is contemplated simply because the supply of tanks is nearly ample for the regular Army, the National Guard and overseas shipment to foreign governments.

Defense officials say tanks adequate for the equipment of all regular Army units have been produced—a point with which some Army officials take private issue. Similarly, the requirements of the National Guard are being met from the production of the new M48 Patton medium and the somewhat older design M47.

School Board Dates Election at Molalla

MOLALLA—The regular meeting of Molalla consolidated grade school board, always held the second Monday of the month, this time has been shifted to the third Monday of the month, June 20. This is the date of the annual election for voting on the school budget and a board member for consolidated district No. 35, as well as a board member for the rural school board for zone 3, Clackamas county.

The polls will be open from 2-8 p.m. and all who vote must be registered. Cecil Snyder of Molalla is the only candidate so far to have his petition in for a member of the school board.

FIRE FIGHTERS MEET

ROSEBURG (AP) — The Oregon Fire Chiefs Assn. and the Oregon Rural Fire Protection District Assn. met here Monday in joint convention. There were 176 firemen on hand for the meeting, which will continue through Wednesday.

Jaycee-Ettes In Installation

WOODBURN — Mrs. Walter Scarborough Jr. was installed as president of the Woodburn Jaycee-ettes Thursday evening at a meeting held in the patio at the home of Mrs. Keith Olson. Each retiring officer installed her successor in a candlelight service.

Other officers installed were Mrs. Ray Miller, vice president, and Mrs. Keith Olson, secretary-treasurer. Mrs. William Ewaliko is the new board member and the retiring president, Mrs. Vernon Eaden, automatically becomes a board member.

Co-hostesses with Mrs. Olson were Mrs. Al Ringo, Mrs. Robert Sawtelle, Mrs. Art Rehm and Mrs. Eaden.

Gifts were presented to the new officers and also to the retiring president, Mrs. Eaden.

It was decided to have matching ensembles for members to wear at conventions and other functions. Plans were made to hold a family picnic in August for Jaycee-ettes, Jaycees and families at Suttle Lake.

Mrs. Harley Piper received the special prize.

This was the last club meeting until fall.

Refreshments were served by Mrs. Olson and her assistants.

$10,000 Loss In Farm Fire

STAYTON—Fire caused an estimated $10,000 damage at the Paul Gilbert farm, five miles west of Stayton Thursday evening as it destroyed a machine shed and tool building on the farm.

Consumed by the blaze in addition to the two buildings were a grain combine, crawler tractor and tools. The blaze began at about 7 p.m.

A gas explosion is thought to have been the cause of the blaze. Stayton and Aumsville fire trucks answered the call but when they arrive the fire was beyond control.

Hubert Keith Bones, the occupant of the farm, placed the damage on the machine shed and its contents at $8,000 and $2,000 on the tool shed and tools.

Pomona Grange Meets June 15

SILVERTON — Pomona Grange is to meet Wednesday evening, June 15, at 8 o'clock, at Union Hill for the last session until October, with Robert Barnes as Pomona master and Mrs. W. F. Krenz as Pomona lecturer.

Judge Rex Hartley is to be the featured program speaker.

Mrs. Krenz, lecturer, is announcing a vocal and instrumental musical program as supplement to Judge Hartley's address

Union Hill Grange, No. 728, of which Henry Peters is master and Mrs. James Gilham is lecturer, is the host group for the Wednesday evening Pomona meeting.

Picnic Plans Made By Santiam Grange

LYONS—Santiam Valley Grange held its regular meeting at the Grange hall Friday evening, with Jake Myers presiding and 20 members present.

Plans were discussed in regard to the Linn County Grange picnic to be held at Roaring River Sunday, June 19. Plans also were discussed for the visitation to Morning Star Grange Saturday evening, June 18.

At the lecturer's hour a short skit was presented by Alma and Bernard Van Handel, Frank Basl and Lloyd Sletto, and a reading was given by Fern Sletto.

A total eclipse of the sun can occur only when the moon is somewhere near its closest approach to the earth.

Woodburn Board Nominations Open

WOODBURN — A nominating petition for a five-year term on the Woodburn school board has been filed for Philip F. Branson. One new director to succeed Roy P. Kuns, present board chairman, who is not a candidate for re-election, is to be selected at the June 20 annual election. Nominating petitions must be filed with Frank Proctor, district clerk, on or before Monday, June 13, and candidates acceptance by June 15.

Nominating petitions must bear the signatures of 10 to 15 registered voters of the district. Candidates must be citizens of the state, 24 years of age or over, a registered voter and a resident of the district for at least 30 days prior to the election.

Molalla Eagles Seat Officers

MOLALLA — Formal installation of new officers was held Friday night by Eagles lodge and auxiliary, jointly, with new auxiliary officers very attractive in their formals and corsages. A large crowd gathered in the Eagles hall for the ceremonies, with many out of town guests. Installing officers were Carolyn Roskoski, installing conductress, Portland; and Clem Roskoksi, state conductor and installing past worthy president of Portland. Dorothy Maulding, Portland, was installing president.

Installed for the Molalla Eagles were Willis Staudinger; Henry Koos, treasurer; Joe Koos, trustee; Harry Beck, vice-president; George Hayes, conductor; Derald Smith, inside guard, with Robert Kelley substituting for him; Nathan Iiams, trustee.

Installed for the Eagles auxiliary were Helen Tuhnbow, president; Irene Harshman, vice-president; Ann Koos, past president; Gertrude Oneth, trustee; Myrtle Carroll, inside guard; Doris Collins, trustee; Edna Ricksger, trustee; Lottie Staudinger, secretary; Violet Beck, treasurer; Pearl Poludnik, conductress, with Alice Ketlley standing in for her.

Legion Election At Woodburn

WOODBURN — LaVern LaFebvre was elected commander of Woodburn Post No. 46 of the American Legion at the annual election of officers this week. He succeeds Arvid Ostrom.

Other new officers named are Genero Ramon, first vice commander; Arvid Ostrom, second vice commander; Milton Coy, adjutant, re-elected; executive committee, Amos Bonacker, Maurine Spagle, Edmond Monnier; building trustee to take the place of Walter Miller, resigned; James Colvin for a three year term; Harold Eichsteadt, alternate member. James Colvin for a three year term; Harold Eichsteadt, alternate member.

To attend the state convention in Redmond in July, Genaro Ramon, L. B. Detweiler, Edmond Monnier.

The officers will be installed the second Wednesday in September, which will be the next meeting. The new district commander will be the installing officer. No meetings will be held during the summer.

ELECT PTA LEADERS

SWEET HOME — The following people were elected to head local parent-teacher groups this coming fall: Mrs. R. B. Monson, Hawthorne school; Mrs. Jay Gould, S. H. U. H. S.; Mrs. James Conrad, Long St. school; Mrs. W. E. Harper, Oak Heights school.

Bridge Repair Stayton Plan

STAYTON — The pedestrian section of the Third Street bridge over the Salem ditch, near the city hall, will be rebuilt, with contract awarded to Al Adams, for $545.50.

The city council took action on the matter Monday evening at the June meeting of the councilmen. The pedestrian walk will be of wood with concrete supports.

Joseph Kerber will be employed as caretaker at the city park for the summer months. Purchase of a rotary type mower for use at the park, was authorized.

Also authorized was grading and graveling of Fourth Street between Robidoux and Hollister Streets. Vincent Lulay, who is building a house in the block, will be a partner in the project.

Need of a parking limitation for loading and unloading merchandise in front of the Santiam Hardware & Implement Co., was stressed in a letter from Chris E. Neitling, owner. A 15-minute parking limitation was granted for a space on Third Street in front of the store.

The firm of Lippold & Brenner, Salem accountants, was employed to audit the city's books at an estimated cost of $300. The same firm had served in this same capacity several years ago.

Councilman Frank Forrette was delegated to make an investigation and further study in regard to insurance coverage on the city's various vehicles.

Lyons Eighth Grade Receives Diplomas

LYONS—Graduation exercises were held Friday evening at the Mari-Linn gym for 23 eighth graders, with Dr. Howard Runkle from the Department of Speech at Willamette University of Salem as the guest speaker.

Salutatorian for the class was Charles Atteberry, valedictorian was Fred Sutherland, and the class will was given by Lonna Downer.

Presentation of awards was made by Duane Burgess, musical director, and Ralph Hurst, eighth grade teacher.

Presentation of diplomas was by Glen Julian, chairman of the school board.

Graduates were Charles Atteberry, Jean Billington, Johnny Bridges, Doris Courtney, Rose Courtney, Carmen Cummings, Lonna Downer, Frank Durland, Jr., Kathryn Johnston, Darrell Jones, David Miller, Roy Morgan, Alvin Peck, Gemma Quinter, Donald Schiewek, Johnny Schiewek, David Seeger, Clara Skirvin, Fred Sutherland, Joan Trahan, Nicholas Wagner, Gloria Wesley and Frances Wilson.

Stayton Limits Trailer Parking

STAYTON — House trailers may be parked within the city limits of Stayton now only by a special permit of the city council, unless in an approved trailer camp.

The city officials passed an ordinance at the June session of the council, making indiscriminate trailer parking illegal. Violators of the ordinance will be subject to a fine and jail sentence.

Seventeen citizens residing in the West Ida Street area signed a petition protesting establishment of a trailer park in that neighborhood, and prompted passage of the ordinance.

Representing Stayton Chamber of Commerce, Wilmer Van Vleet asked the council what could be done about the American Legion lot, offered for use as parking accomodations at Fourth and Florence Streets. The Legion was said to be ready to give the city a lease, but the council indicated it should be a joint venture among merchants in the area.

Ordinance No. 257, assessing a $25 daily license fee upon itinerant merchants, was increased to $50.

First reading was given an ordinance prohibiting Sunday auctions. Complaints had been registered that an auction had been held in the vicinity of a church during Sunday services.

Building permits approved included: W. H. Fair, Cedar Street, 42x60-foot dwelling, $13,000, J. R. Lande, builder.

Harold L. Fox, 433 West Burnett, seven rooms, 35x62-foot dwelling, $11,200, J. R. Lande, builder.

Vincent Lulay, Fourth and Hollister Streets, six room home, 26x50 feet, $9,300, Lockwood Homes, builder.

MOLALLA PAIR WINS

MOLALLA — Mr. and Mrs. Harry Stowers were informed Tuesday evening that they were judged winners in an all-expense paid trip to the Hawaiian Islands in a contest conducted by Scotty stores. The "Y" Grocery, operated by Mr. and Mrs. Buck Ellis, at the east Y of Molalla, is a member of the Scotty stores. The date of the Stowers' departure for the holiday island is not certain.
