OCE Mothers Club Plans Activities

OREGON COLLEGE OF EDUCATION, Monmouth—Mrs. Louise Jones of Salem, president of the Oregon College of Education Mothers club, visited the OCE campus recently to make plans for a Mothers club membership drive, and to do some pre-planning of Mothers club activities which will be carried on during the Folks Festival winter term.

Mrs. Jones stated that the Mothers club was formed for the purpose "of getting acquainted with each other, knowing more about our children's friends and doing everything possible to help and encourage our young people at OCE." All mothers of Oregon College of Education students are eligible for membership.

One of the major services of the Mothers club is the operation of a loan fund for OCE students. The money is under the supervision of the school and is loaned to students who are recommended to the dean as students worthy of help to finish their college work. Long term loans may be granted in order that students may complete their training and establish financial security.

In addition to meeting during Folks Festival, the Mothers club conducts an annual spring meeting. Mrs. Jones' daughter, Miss Carolyn Jones, is a senior at Oregon College of Education this year.
