TO GUIDE...AND TO MEASURE...

A ruler... the humblest of instruments! Yet it meets two tremendously important needs. It guides... giving man a straight, sure rule by which to draw his lines and sketch his plans. And it measures... showing man where to begin, and where to end, proving the dimensions of his work. That which the simple ruler does in the physical realm of life is the work of the Church in the spiritual realm. For every man's life is like a blank sheet of paper, until, by his own living, he places upon it the lines which give it meaning and character. The Church is our guide... giving us the tried and sure truths by which we can live... pointing us to the straight and unwavering paths which lead to God. And the Church is our measure... showing us the standards by which every man's life must be judged... revealing the Christ whose teaching and example are the beginning and ending of all spiritual achievement, the perfect dimensions of life. Are you letting the Church meet these tremendous needs in your life?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
