UCLA Bruins Also Champions of The 'Penalty Circuit'

3 Years Probation, Fine Handed Out

Coach Says Just Following PCC Practices

VICTORIA, B.C. (AP) — The athletic world was as blue as their famous sky-hued uniforms Monday for the powerful Bruins of UCLA, who were thrown for a $95,000 loss and "benched" for three years Saturday by the Pacific Coast Conference.

While its track men were winning the school's third major championship of the term in Berkeley, Calif., the coaches and administrators of the University of California at Los Angeles were tripping over a whole course of regulatory hurdles here in Victoria.

Champions in football, basketball and track, the Bruins also were crowned champions of the penalty circuit, lifting the title that had been Washington's for a scant two weeks.

Back Into Session

The conference put Washington on probation for two years for letting alumni slip money to athletes "under the table." UCLA drew a three-year term. Neither school can win a title or play in a post-season game until its sentence is up. The terms start before school reopens next fall.

After taking the hide of the Bruins, the faculty men who run the conference went back into session—on the other side of a locked door.

Although they will keep it up until Wednesday night, the conference bosses indicated there would be no more penalties of such atomic-bomb magnitude.

Other schools may be fined, but the offenses will be run-of-the-mill violations of the sort usually brought up at the spring meeting—minor infractions of the conference athletic code. Washington and UCLA could draw some of these fines in addition to their other penalties.

Sanders Followed Suit

The football coaches arrived Sunday to join the faculty men and athletic directors of the nine member schools, who have been here since Friday. Among them was a glum Red Sanders, head man of UCLA's grid team. He would say only that UCLA was just following common practices.

Specifically, UCLA was charged with condoning the payments of $40 per month to its own athletes and some still in junior college. It was accused of refusing to cooperate with the commissioner of the conference—Victor O. Schmidt—in his sleuthing activities.

It was accused of permitting two clubs to deal with athletes in violation of the conference code.

The Young Men's Club of Westwood and the Bruin Bench were outlawed until they can be reorganized to the satisfaction of the conference. All alumni of UCLA were denied the privilege of transporting prospective students to the campus.

Chancellor Costs $15,000

An outright fine of $15,000 was assessed against the school because its chancellor—Dr. Raymond B. Allen—denied Schmidt "the opportunity to conduct an investigation of the financial aid given to athletes."

The rest of the approximately $95,000 will be in lost Rose Bowl and television receipts, while the school is on probation.

The ban includes participation in nationally televised contests, with one exception. UCLA will be permitted to go through with a television contract arranged for its football game against Southern California this fall.

While no names were mentioned, the conference statement it the case said that the members of the athletic staff knew of the violations and even cooperated in making them.

UCLA was directed to whip up a report on what correction action it takes before the next conference meeting "regular or special." The next regular meeting is the mid-winter session in December.

In a statement from Los Angeles, Dr. Allen said the conference athletic code was in need of revision. One faculty man here, asking not to be quoted by name, said this revision may come "but not at this meeting."

The code now permits payment of an athlete's tuition—termed "grants in aid"—and giving him a salary of not more than $75 a month for work performed in a campus job. The amount will go to $100 monthly next term.

Should a change be made, the plan which seemed mostly likely to be approved would give an athlete tuition, room, board and books and possibly a small and strictly limited amount of cash for incidentals.

No action has been taken on what is to be done with the Rose Bowl money to be denied Washington and UCLA. It will approximate $52,000 a year. As matters stand now, it will go into the conference treasury and probably will be divided among the other seven members — Southern California, Stanford, California, Oregon, Oregon State, Washington State and Idaho. The latter receives only a partial share.

DUCKS BEAT COUGARS

PULLMAN, Wash. (AP) —The Oregon Ducks stretched five hits into four runs Saturday as they hung a 4-2 Northern Division baseball defeat on the league-leading Washington State Cougars.

North, South Golfers Enter State Tourney

North and South Salem high schools both have a four-man team in the state high school golf tournament opening today at Portland's Glendoveer golf course.

Thirty teams are entered to play 18 holes today and 18 Tuesday of medal play on the East 18 links. The field will include two girls—Carole Jo Kabler, national junior girls' champion from Sutherlin, and Elaine Porritt of Eugene.

This year's rules require that no team member have a handicap of more than 15. There is no defending champion, since some of last year's winning team from Eugene were declared ineligible because of having played in tourneys not sanctioned by the OSAA.

Coach Bruce Thompson of North Salem said Sunday he is entering Bob Carr, senior; Rex Simms, junior; Chuck Johnson, sophomore; and Stan Sather, sophomore. Carr's handicap is the lowest, 7-2.

Coach Bob Metzger of South Salem is entering Jim Allen, Jim Heltzel, Frank Shafer and Jim Roethlin, in that order of handicap.

Upstart Bucs Scramble NL

By JACK HAND
The Associated Press

Bobby Bragan's upstarts from Pittsburgh with Dale Long hitting the long ball have revived sagging Forbes Field attendance and scrambled the National League race.

The Pirates drew their largest crowd in five years Sunday when 32,346 turned out to watch them trip the league-leading Milwaukee Braves in a doubleheader 6-3 and 5-0.

Long hit two home runs, his eighth and ninth of the year, took over the lead with seven runs batted in for a total of 29 and boosted his average to .398, second only to St.Louis' Rip Repulski.

Bob Friend and Ronnie Kline put the Braves through their paces with a pair of complete games. It was the sixth victory for Friend, tabbed by many baseball men as "the best pitcher in the majors" and the third for Kline.

St.Louis lost a chance to take the lead by dropping two to New York 2-0 and 5-3. Brooklyn made up for lost time by winning two from last place Chicago, both by 5-3 scores.

Yankees at K. C.

The New York Yankees moved into Kansas City for the first time th' season and beat the A's 4-2 with Andy Carey driving in three runs with a homer and double.

Cleveland bumped off Baltimore twice 6-1 and 5-1 with Bob Lemon winning his sixth straight complete game and Mike Garcia four-hitter in the second game.

Boston went hit crazy at Chicago, bombing the White Sox with 15 hits in the 12-5 opener and then squeezed past Bob Keegan by a 2-1 margin in the second game.

Detroit moved up to sixth place with a double triumph over Washington 4-2 and 7-1.

Angels Find PCL Crowded on Top

Lowly Hollywood Halts Leaders 4 Times

By THE ASSOCIATED PRESS

The Los Angeles Angels found things rather crowded at the top of the Pacific Coast League Monday after dropping all four games of a series to their crosstown rivals, the lowly Hollywood Stars.

Seattle split with last place Vancouver Sunday and moved to within 5 percentage points of the wing-heavy Angels.

Hollywood's seventh place Stars upended the Angels, 4-1 and 3-0. Seattle took the first game from the Mounties 6-1, then lost 8-3.

San Diego thumped Sacramento, 10-5 and 3-0, while San Francisco and Portland were splitting. The Seals won 12-6 and then lost 2-1.

Ben Wade pitched the shutout against Los Angeles while Curt Raydon held them to a single run.

Hollywood put the opener away in the sixth inning by scoring twice on singles by Dick Smith, Billy Majeroski and Gair Allie and a fly by Joe Duhem.

Paul Pettit doubled home three Hollywood runs in the second game after Majeroski and Ramon Mejias singled and Allie walked.

San Francisco totaled five homers in its first game, two of them by Haywood Sullivan and the others by Tom Umphlett, Don Lenhardt and Bob Dipietro. Bob Alexander held the Seals to two blows in the nightcap, a homer by Umphlett and a single by Sullivan.

Saturday Hollywood beat Los Angeles, 8-5; Seattle trimmed Vancouver, 5-3; Sacramento downed San Diego, 2-0 and Portland beat San Francisco, 8-6.

There are only two games Monday, Seattle plays two at Vancouver.

FIRST FULL-SIZE 4-DOOR HARDTOP!

MORE HEAD ROOM, HIP ROOM, LEG ROOM THAN ANY OTHER 4-DOOR HARDTOP

Dotted line shows the short roof typical of other 4-door hardtops. This means cramped head and leg room. Solid outline shows Chrysler's longer roof.

Other 4-door hardtops have short rear windows indicated by broken line above. Chrysler's windows extend all the way to the back of the rear seat.

Chrysler's longer roof, greater room, and better visibility are the result of two-part roll-away window. Rear segment rolls forward. Forward segment down.

All the airy openness of a racy convertible . . . and the full size and comfort of a big sedan. That's the Chrysler 4-door hardtop.

You can get in and out as easily as in a sedan because the entrance area is full width. And you get full vision because the rear window comes all the way to the back of the rear seat.

Chrysler's ingenious new roll-away action rear window is the secret. It permits a full-size roof, and the rear seat is back where it belongs.

Best of all, this 4-door hardtop has all the YEAR-AHEAD features that make the "PowerStyle" Chrysler the success car of 1956! See it now!
