

Escaped Death

Earthworms have been found over 15,000 feet above sea level.

DECATUR, Ill.—Paul Hudson, 43, of Decatur, narrowly escaped death in a cave-in on a sewer construction job. Completely buried at one time, Hudson was covered up to his head for more than one hour as firemen worked to free him. He was taken to a local hospital and held for observation, but was seemingly in good condition. (AP Photofax.)

Dartmouth and Pennsylvania began their football rivalry in 1896.

WISHING WELL

A 10x10 grid for a word search puzzle. The grid contains letters arranged in a pattern that spells out 'WISHING WELL' across the top row.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
