

West Baptist Told to Spark Unification

SEATTLE (AP) — Baptists should look to the West for the spark to ignite the flame of union between Southern and American (northern) Baptist Conventions, 200 American Baptists ministers were told here Wednesday.

Dr. Duke McCall, president of Southern Baptist Theological Seminary at Louisville, Ky., predicted this West would be the source of union. He said this would be because it is in the West where the two groups overlap and interact, providing the basis for organic union.

McCall told national ABC delegates in an earlier address that the church must concentrate on winning the nation for Christ and unity would be its by-product.

He said he hoped to see the differences between the groups "dissolved by good will and friendship activated by the truth of God's revelation."

Testimony on Deschutes Set

PORTLAND (AP) — Rollin E. Bowles, chairman of the Save the Deschutes Committee, will testify Friday before a Senate Interior Committee on Sen. Neuberger's proposed amendment to a water rights bill.

Bowles supports the amendment, which is designed to stop construction of Pelton Dam on the Deschutes River. The bill would guarantee the states control of water rights on rivers within their borders.

Bowles left Portland Wednesday.

Smiling Derbyists Look Toward Race

More smiling Derbyists get their pictures taken this week as the deadline for getting the free photos taken nears. Boys may get their pictures taken free at McEwan's Photo Shop, 245 North High St., for publication in the Capital Journal, co-sponsor of the annual Salem Soap Box Derby with Capitol Chevrolet. Some 100 boys will be racing in the July 5 event at Derby Downs in Bush park. Jordan Leader Says No Peace With Israel

AMMAN, Jordan (AP) — Premier Said Mufli says Jordan's new government will never conclude peace with Israel.

The new government chief told Parliament he would see the return to their former homes in Israel of the Arab Palestine refugees, nearly half a million of whom live in Jordan.

He also told the legislators he would work for anti-Israeli military alliances with other Arab nations similar to those Jordan recently concluded with Syria and Egypt.

The intent, he said, is to encircle "the usurped part of the Arab world" with a ring of bases.

In Jerusalem, a spokesman for the Israeli Foreign Ministry said Israel has accused Syria and Jordan of issuing "threats" against the Jewish state which violate "the spirit and letter of the general armistice agreement."

The spokesman said complaints have been lodged with the Israel-Jordan and Israel-Syrian Mixed Armistice Commissions. Both are United Nations bodies.

Hearings for Draftees Set

WASHINGTON (AP) — Draftees in the future will get a hearing if they wish before they are rejected for induction on security grounds.

Secretary of Defense Wilson yesterday called for instructions to guide personnel officers in reaching "common sense" decisions relating to the acceptance or retention of people against whom security information might be filed.

Smallest Quad Dies In Rome

ROME (AP) — Vito, tiniest of the quadruplets born two days ago to Mauro and Vella Bertolacci, died at Rome's Polyclinic Hospital Thursday.

Doctors said the baby boy, who weighed less than two pounds, suffered "respiratory deficiency" from birth. The other babies, Paola, Claudio, and Walter, were described as well and healthy. They are being kept in incubators.
