Says Court 'Right' But Rejects Use Of Force

LITTLE ROCK, Ark. (UP) — He was applauded a second time Adlai E. Stevenson carried his during this passage when he said that the Survey of the Demreafirmed his stand that the Survey of the Demreafirmed his

reaffirmed his stand that the Supreme Court ruling against segregated schools was "right."

The Democratic candidate for President told an open air crowd of more than 4,000 that he is "confident" the school segregation problem will be solved "in the manner prescribed by the courts."

The crowd, which was predominantly white, applauded him twice during his discussion of the integration issue.

The first time came when he said that Americans should agree that "once the Supreme Court has decided the constitutional question,

## Ike to Sketch Farm Goals in Tonight's Talk

Peoria Speech to Start At 5:30; New Ohio Date Added

WASHINGTON UP — President Eisenhower took off Tuesday afternoon for Peoria, Ill., and a major campaign speech in the evening on the farm issue.

The presidential plane Columbine III was four minutes ahead of schedule.

The President and Mrs. Eisenhower climbed aboard at the Military Air Transport Service terminal with no ceremonies of any kind and no crowd to see them

Eisenhower's speech will be de-livered at the Bradley University field house beginning at 5:30 p.m. (PSTL, It will be carried by CBS radio and television networks. He will fly back to Washington shortly, after the talk.

Eisenhower decided to add an Ohio speaking date to his campaign schedule, a midday speaking appearance in Cleveland Monday before he travels on to Lexington, Ky., for his third nationally broadcast address that night.

Thus, within the span of a week, the will wish these status where

Recalling that Republicans talked four years ago of "hounds tooth morality." Stevenson said. "some have suggested that the hound needed a dentist."

Moreover, Thornton said that he

hound needed a dentist."

Will Miss Wilson

Stevenson said he read in the newspapers that Defense Secretary Charles Wilson had to cancel eampaign speeches.

"We will all miss his special flair, especially us Democrats." he said, a reference to Wilson's knack for getting into hot water politically.

Stevenson flew here from Oklahoma City. From here, he was headed for New Orleans and then to Miami Beach, Fla., tonight.

Moreover, Thornton said that he flavored a two-party system in state government and that to make his office appointive would be a breakdown in this system. "I know I watch my P's and Q's very carefully in my work and I feel that the officials of the other party do likewise." Thornton said. "Therefore I feel the other party do likewise." Thornton said that he flavored a two-party system in state government and that to make his office appointive would be a breakdown in this system. "I know I watch my P's and Q's very carefully in my work and I feel that the officials of the other party do likewise." Thornton said extended in the make his office appointive would be a breakdown in this system. Blows Our In Georgia Tax Levy in Salem At Least 11 Killed By Gale 'Flossy' Up to 104.3 Mills

An expectant mother and her three children were among vic-tims of the storm. They were killed when a falling jet plane, fleeing from Flossy, crashed into their home and set it on fire. their nome and set it on fire.

The Weather Bureau cautioned
that the sopping storm, now accompanied by winds of no more
than 50 miles per hour, may cause
local flood conditions in Georgia
and the Carolinas tonight. Some
areas reported as much as five
inches of rain during the past 12
hours.

By DOUGLAS SEYMOUR
Capital Journal Writer
The city of Salem has received
92.05 per cent of the 1955-56 taxes
which it levied and payment of
delinquent taxes of former years
brought the total collections to
99 per cent of the levy, City Manager Kent Mathewson reported
Monday.
The city manager's comment
came in the discussion of the
annual audit of city books which hours.

As the storm swept into South-west Georgia, a big lumber plan-ing mill in Albany was ignited by short circuited wires and burned to the ground from the wind-driv-en flames. came in the discussion of the annual audit of city books which

Storm Moves Slowly annual audit of city books which was given at the meeting of the city council,

The audit, prepared by Bowers, Davis and Hoffman, recommended changes in emergency fund procedures and fidelity bonding of all city employes who have access to or handle money, equip-

illes an hour. The Weather Bureau maintained The Weather Bureau maintained storm warnings east of St. Marks, Fla., to Tampa, and from Wilmington, N.C., to Brunswick, Ga.
The latest discovered victim was Melviney Stewart, 90, whose body was found 14 miles south of Live Oak, Fla. early today, apparently the victim of wind and rains accompanying hurricane Flossy.
Other late casualities reported from the storm were an unidentified may be supported from the storm were an unidentified Negro construction worker who was electrocuted by a live wire in Mobile and a 15-year-old Negro boy, run over by a motorist

only the city treasurer, recorder, police chief, and engineer.

Speaking of the emergency fund procedures the audit report noted that "some of the items charged to the emergency account were not truly emergency expenditures and should have been charged to some other classifications,"

Questioned by Alderman David O'Hara, Ward Davis of the ac-

wire in Mobile and a 15-year-old Negro boy, run over by a motorist at Slocumb, Ala, who said hurricar-whipped rain blinded him. A search still was in progress for eight persons isolated in boats or on an island in the choppy gulf waters off Louisiana.

Reads Are Blocked Highways east of New Orleans were impassable this morning but the Highway Patrol expected high waters to subside by afternoon. The Coast Guard said all personnel trapped on offshore oil rigs by Flossy apparently were reached Monday

The motor vessel Carport was located about 4:30 a.m. 40 miles south of Grand Isle and 15 persons were reported safe aboard.

7.3 Mill Increase

The all-time high Salem rate of 104.3 mills is an increase of 7.3 mills over a year ago when the rate was an even 97 mills. As has been the case for a number of years, much of the increased tax burden is due to the growth of the school district which has been forced to construct new buildings.

The 104.3 rate is heaven down.

forced to construct new buildings.

The 104.3 rate is broken down as follows: county 17.5 mills, schools 61.5 mills and City of Salem 25.3 mills. A year ago the levies were: county 17.2 mills, schools 55.1 mills and City of Salem 24.7 mills.

Detroit Levy Sliced

Detroit, which was confronted with a whopping 223 millage rate last year, has reduced this burden to 150.5 mills, largely because the school district of that community succeeded in cutting it's school operations from 177.3 mills to 110 mills.

Rates of other communities, as ontrasted with a year ago, in-
