

Austria Sets Up Hot Spot For Mikoyan

VIENNA (AP)—Austrian government leaders are bracing for a visit this month from one of the Kremlin's shrewdest operators—First Deputy Premier Anastas I. Mikoyan.

His prospective visit is the result of one of those casual invitations extended in Moscow at banquets or cocktail parties.

An Austrian government delegation was in Moscow 18 months ago to negotiate Soviet agreement to the long-delayed Austrian freedom treaty. They thanked the Russians for their hospitality and casually extended invitations right and left: "Come and visit us some time, too."

Then the Austrians, happily rid of occupation armies at last, forgot about this. But not so the Russians. In September the Soviet ambassador in Vienna called at the chancellery and remarked that Mikoyan was ready to visit Vienna.

Now they are trying to cook up a welcome that will put Mikoyan on the spot.

Officials would like to tell Mikoyan: Look, you Russians were the last to agree to giving us freedom. The Americans gave us millions of dollars worth of food and other aid and are still helping us. But to the Russians we had to pay a ransom to get our freedom and are still paying. How about cutting the bill?

To get their freedom, the Austrians had to sign up to deliver to the Russians 150 million dollars over six years. This was to be in exchange for the return of so-called "German assets" which the Russians had seized here. In addition the Austrians agreed to deliver to Russia one million tons of oil each year for 10 years.

Fair Weather In Northeast

By THE ASSOCIATED PRESS
Showers ended and skies cleared in most of the Northeast today and fairly pleasant autumn weather was indicated for the opening game of the World Series in Brooklyn.

Warm and clear weather also was the outlook for most of the southern part of the country. Showers were general along the Gulf Coast and through the lower Mississippi Valley into Tennessee yesterday. Heaviest falls were under one inch at New Orleans and Jackson, Miss.

Showers were reported during the night from southern Utah southwestward into Southern California. Rain was in prospect for the far Northwest as a new storm neared the coastline.

Temperatures were 10 to 15 degrees higher than 24 hours earlier in most of the northeast this morning, although there were some exceptions. Philadelphia's 62 was 12 degrees lower than yesterday while Syracuse, N.Y., with 55, was 14 degrees above the reading 24 hours earlier.

Haven School Parents Elect

Mrs. John Ramage has been named president of the newly formed Parents club at Haven School for the Retarded.

Other new officers include H. H. Nelson, vice-president, Mrs. Everett Acree, secretary-treasurer; Mrs. Kirt Dye, ways and means chairman; Mrs. Lindfield Buran, hospitality chairman of Mrs. Ewin H. Lindsey, publicity chairman.

Meetings are to be held the fourth Thursday of each month.

Russians Now Permitted to Change Jobs

MOSCOW (AP)—Workers in the Soviet Union may now change their jobs, or quit, on two weeks' notice but this freedom of action does not extend to members of the Communist party.

Party Life, monthly theoretical organ of the party's Central Committee, spelled out the distinction in its "letters to the editor" department.

The Soviet government earlier this year removed wartime labor restrictions forbidding a worker to change jobs without express approval of his employer.

Apparently there has been some question as to how this affects Communist party members. A. Afonin, secretary of the party organization of the Lesogorski machine tractor station in Leningrad, asked Party Life if the Communist party has the authority to force a party member to stay on the job against his will.

"A Communist can move from one job to another only with the consent of the party organization concerned," the editors replied. "Any violation of this regulation is considered a rude violation of party discipline."

Youth Bags Buck

MOLALLA (Special)—Sixteen-year-old Gary Wise was one of the first to bring in a buck. He arrived back in Molalla at 9 a.m. Saturday with his four point buck that he had shot on the old Eastern & Western holdings. The buck weighed about 200 pounds and was taken to Molalla Lockers. Last year Gary's tagged buck was stolen in the same area, but this time Gary had better luck. He is the son of Mr. and Mrs. George Wise of Molalla.
