Thomas Hints At A-Weapons Against Subs

LOS ANGELES (AP) — Navy Secretary Thomas says the United States has a new secret weapon against submarines, but he won't say what it is.

He old a news conference Thursday that the new weapons, highly classified, would be of tremendous significance in the event of trouble with Russia, whose navy is composed primarily of submersibles.

Maintaining the United States Navy is the most powerful in the world, Thomas declared the Forrestal type of carrier can go nearly 40 miles an hour, and added: "It is almost impossible for a sub to hit a ship traveling 20 miles an hour. At 40 it is just about a million-to-one against its getting in a torpedo."

BALLOTS COST $16,288

PORTLAND (AP) — Multnomah County's general election ballot printing job will cost $16,288. The county commissioners let the contract Thursday for 795,000 sample and official ballots. The lowest bid for setting up and dismantling election equipment at the various precincts was $9,810.

BERLIN ORCHESTRA TO U.S.

BERLIN (AP) — The Berlin Philharmonic Orchestra left by plane Thursday for its second postwar concert tour of the United States and Canada.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
