

Spring Opens Fish Counting At Dalles Dam

PORTLAND (AP)—Army Engineers reported Saturday that fish counting will begin at The Dalles Dam next April.

Women will be employed for the unusual job as they are at Bonneville and McNary dams, the corps stated.

Two counting stations are planned for The Dalles Dam, one at the north fish ladder on the Washington shore and the other at the east fish ladder on the Oregon shore. The count will be made daily from 4 p. m. to 8 p. m. and will continue through December 1.

The counters will be required to identify some 30 species of fish. Purpose of the counting is to determine if the number of fish is declining and if the breeding stock is being endangered. The count also enables biologists to determine periods of migration for the various species and to learn the tributary streams these fish use for spawning purposes.

Daily reports of the fish counts are sent to newspapers, commercial fishermen, packing companies, state organizations and other interested persons.

Monthly reports are sent to key organizations of various state and federal agencies and to individuals.

The Dalles Dam will raise the total of projects on the Columbia River with fish counting facilities to four. In addition to Bonneville and McNary, counting is carried on at Rock Island Dam at Wenatchee, Wash.

Counting of fish at Bonneville Dam started with men in 1927. Women took over the job during the war and were told they would be replaced by veterans. But the veterans found the work too nerve-racking and women have been on the job ever since.

Mothers Club Aids Brownies

FOUR CORNERS (Special)—The Four Corners Mothers club met in the multi-purpose room of the school Thursday afternoon with Mrs. David Gentry presiding. The group voted to sponsor Brownie Troop 147 this year which consists of third grade girls.

Plans were made for a rummage sale to be held in November with Mrs. Floyd Bobbitt and Mrs. Lorimer McLaughlin as co-chairmen, and Raymond Cherry and Mrs. Emil Traschel, members.

Room count award was given to Mrs. Branson's room five, grade three, for having the most mothers attending the meeting.

D. Virgil Lamb, school principal, announced that the school will have its annual open house Nov. 16, from 7:30 to 8:30 p.m. Teachers will be in their respective rooms during open house and have planned refreshments for the parents in the multi purpose room afterwards.

James Garvin of the American Legion will present an American flag to each of the three new rooms recently added to the school.

The entire sixth grade class under the direction of Mrs. Marilyn Barnett presented several songs while trumpets were played by four boys.

Also as a part of the program the group enjoyed a white elephant sale. Refreshments were served at the close of the meeting by mothers of Room 11.

20 Elk Illegally Slain in Weyerhaeuser Woods

COGS BAY (AP)—There were 20 illegal kills of elk on the opening day of the elk season in the Weyerhaeuser Timber Co. woods near here, state police reported.

Sgt. Walter Hershey said the illegal kills were mostly of spike elk plus a number of cow elk and calves. One three-point buck deer and an otter also were shot, he said.

"The poorest sportsmanship I have known in years," Hershey said.

Meat from the illegally slain animals was salvaged for use by county institutions and charity.

BABY SITTERS FREE: MILL CITY (Special)—The senior class at Santiam High will perform a civic duty on election day when any voter needing baby sitters or transportation to the polls will be furnished these services free of charge.
