Corner of Liberty
S&H Green Stamps

'Twas the night before Christmas, and all through the bank, the tellers were asking just whom they should thank, for making their year 1956 one of pleasure and joy, while meeting and greeting each man girl or boy.

When out in the lobby, loan officers came . . . and typists and clerks, their question the same. From offices, vaults, and from **every** compartment . . . bookkeepers, guards . . . and the **whole** trust department

In seventy-four branches the managers knew, that they had a message to carry to you. And so they all sang in tones loud and clear, "Merry Christmas to all . . . and a Happy New Year!"

Or, to put it another way, the people of the 74 statewide banking offices of The First National Bank of Portland wish you and yours a very merry Christmas and a happy, prosperous New Year!
