Ike Gives Congress Message In Person, Asks for Free Hand to Use Forces

WASHINGTON ® President Eisenhower Saturday asked Congress for advance authority to use American troops to curb any "ambitious despots" or "power-hungry Communists" who might resort to "armed aggression" in the Middle East.

In a special message delivered personally to a joint session of the Senate and House, Eisenhower also said he will seek 400

of the Senate and House, Eisenhower also said he will seek 400 million dollars for a two-year economic aid program for Middle East nations. Risks Noted Eisenhower acknowledged that "the policy which I outline involves certain burdens and indeed risks for the United States," But he said "the occasion has come for us to manifest again our national unity in support of freedom and to show our deep respect for the rights and independence of every nation."

the rights and independence of ery nation."

He said he wants a free hand to use American forces "to defend the territorial integrity and the political independence of any nation in the (Middle East) area against a gardession." Praise, Sharp Dissent Heard Concerning Ike's Message

in the (Middle East) area against Communist armed aggression."

He said such authority would be used only "at the desire of the nation attacked" and "subject to the overriding authority of the Middle East w a met with praise United Nations Security Council ... "Eisenhower said "our thoughts"

Eisenhower said "our thoughts turn naturally to the United Nations." But, in the light of the Soviet Union's "callous indifference" to U.N. censure of its military oppression against Hungary, Eisenhower said:

"The United Nations... cannot be a wholly dependable protector of freedom when the ambitions of the Soviet Union are involved."

The United Nations... cannot be a wholly dependable protector of freedom when the ambitions of the Soviet Union are involved."

The United Nations ... cannot be a wholly dependable protector of freedom when the ambitions of the Soviet Union are involved."

bitions of the Soviet Union are involved."

UN Role Cited

Eisenhower said the Middle East "has abruptly reached a new and critical stage" — a situation which he said is made the more threatening because "international communism needs and seeks a recognizable success" after its troubles with the rebellious eastern European satellites. His message, carried nationwide on television at. Tadio, also asked Congress to authorize a regional program of "military assistance and cooperation with any nation or group of nations which desires such aid."

Sen. Goldwater (R-Ariz.) said he is "very afraid" of the proposal carefully and foroughly to determine whether the action is ustified, prudent and in accord able."

Rep. Martin of Massachusetts, ed that the Democratic-controlled congress to authorize a regional program of "military assistance and cooperation with any nation or group of nations which desires such aid."
