### Shine as Good Samaritans

NEW YORK—Binine Stoddard, Jr., 13, on crutches, is an enthusiastic onlooker in front of his home in Long Island City, Queens, as three of his buddles shine shoes to buy him an artificial leg to replace the one he lost through cancer. At work on customers are, left to right, Lee Stoddard, 8; Joe Stoddard, 12; and Ronnie Krebs, 12. Other three boys next to Blaine, Denny Opitz, 11; George Povey, 12, and Eddie Rusnack, 9, left to right, are helping raise the \$400 needed for the limb. (AP Wirephtoo)

## Doctors Say Too Many Arms, Legs Cut Off for Bone Cancer

More careful examinations are needed before surgery, the specialists told the medical profession today.

They cited instances of young people whose arms and legs, the experts said, could have been the experts said the experts s

won the esteem of all his neighbors by his German fortitude. With one

by his German fortitude. With one artificial leg, and the other badly worn in the joints, Albert has for many years made his living on a small acreage in roral Lafayette. When Dave Erickson and Ed Singleton got their heads together and then drew in the community sheart to aid in the project, the old green Model A was deposited at Erickson's service station in Lagyette, two miles from Albert's dayette, two miles from Albert's

fayette, two miles from Alber little farm. One of Albert's trien

little farm. One of Albert's triends, a large stray black dog, had been sleeping for several years in the back of the green Model A. When, his bed was gone, the dog took off, los. His master noticed he was gone at night, but returned in the mornings. Ericksen finally discovered the dog was trotting the two miles into town at night to sleep in the discarded green Model A.

Becomes Town Dog

Becomes Town bog
By now, the black dog has become well known ground town and
spends nearly all his time being
friendly with Lafayette citizens.
Albert insists the affair has
estranged him and his dog, for as

soon as the dog has eaten at home, he's off for the city life. Every-one is wondering what will be the finale to this tale when Dave lets

the junk man hauf away the green Model A.

And, to make the story more interesting, Albert has embarked for

# Fire Zone to Be Expanded

ALBANY (Special) — The Albany Planning and Zoning commission started the new year Monday when it appointed a committee to begin work on proposed expansion of fire zone boundaries in the downtown area.

By RENNIE TAYLOR
AP Science Reporter
PHOENIX, Ariz & — Doctors have been cutting off the arriss and legs of too many patients in the mistaken belief that they were dealing with bone cancer, two specialists told the medical profession today.

They cited instances of young people whose arms and legs, the experts said, could have been cases, they said, are least diagnostic from the mistaken belief that they were dealing with bone cancer. Two specialists told the medical profession today.

They cited instances of young people whose arms and legs, the experts said, could have been the cancer for the Arizona division of the commission of the contral business district. But the commission believed that the zones, with their fire safety restrictions, should be expanded to include the main business of strict.
