

Chou Supports Red Hungary, Soviet Actions

China Leader Flies Off To Moscow to Give Missions Report

BUDAPEST (AP) — The Hungarian people were told Thursday that Communist China fully endorses the action taken by the Soviet armed forces in crushing the revolution in November. The Chinese Reds also support Premier Janos Kadar's program of ruthless liquidation of remaining rebels.

Radio Budapest, the voice of the Soviet-supported Kadar regime, broadcast a joint declaration signed by Kadar and Red China's Premier Chou En-lai drafted during Chou's 20-hour visit here.

The declaration was similar in tone to the Chinese-Polish statement released Wednesday in Warsaw, where Chou was also a visitor on a mission lining up restive Communist nations behind unquestioned Kremlin leadership.

Chou flew off in a Soviet jet transport for Moscow to report in person to the Kremlin on his Warsaw and Budapest missions. The declaration was broadcast three hours after his departure.

The statement was aimed mainly at the United States. It accused imperialists of starting the Hungarian "counter-revolution" in order to launch a conquest of the East European people's democracies. It charged the United States with manipulating the United Nations into interfering in Hungary's internal affairs.

It accused "the government of the United States, as the chief instigator of the imperialists," of trying to start a third world war with its activities in Eastern Europe and the Eisenhower Doctrine for the Middle East.

The joint declaration paraded many of the old cold war attacks against the West, and demanded "extreme vigilance" in all Communist-ruled countries and a solid stand with the Soviet Union.

Budapest Radio announced the hanging of two more anti-Communist rebels, Istvan Varga and Jozsef Pinter. The broadcast said that two others sentenced to death had been let off with life imprisonment.

Hungarian Justice Minister Ferenc Neuzal told a Communist correspondent from Vienna that the Kadar regime had held 101 trials involving 127 persons. Of these, he said, 18 were sentenced to death, 7 had been executed, 3 were granted clemency and appeals from 8 of the death sentences still have not been decided.

Radio Budapest, however, has announced at least 24 death sentences and nine executions. Unofficial reports have claimed there were many more.

Windows Shot Out of Negro Pastor's Home

TALLAHASSEE, Fla. (AP) — Windows in the house of an integration leader were reported smashed by gunfire last night during a meeting of the Negro Inter-Civic Council.

The disorder was the most recent in a long series in smoldering integration difficulties here.

About 20 white persons attended the council meeting. They were identified as students at Florida State university. They were scattered through the church where the meeting was held.

The Rev. C. K. Steele, president of the council, told the meeting that "no group of Negroes could move freely in and out of white communities as long as youngsters have been moving in our community throwing rocks and shooting guns without being arrested."

After he went home, Steele reported two windows of his home had been broken by shotgun pellets. He also said the window of a car owned by Dr. M. C. Williams, Negro dentist who is the council's secretary, was smashed with a brick. The car had been parked near the church.

Steele's home is next door to the church. Members of his family were not at home.

Steele said a gun had been fired at his house Tuesday night but said he had not reported it. Rocks have been thrown through his windows on two occasions.

Arbitrator Rules For Irish Actor

NEW YORK (AP) — An arbitrator has ruled that Rex Harrison may be replaced by an Irish actor in Broadway's smash hit "My Fair Lady."

The dispute threatened to shatter the show when the producers announced last week that Edward Mulhare would fill in for Harrison when the star of the musical begins a four-week vacation Feb. 4.

Actors Equity had protested the importation of a foreign actor. Equity claimed any trained American actor could play the part just as well.

Both sides accepted Theodore W. Kheel as arbitrator.

Kheel ruled in favor of Mulhare and his decision was accepted as binding by Equity.

Brahman cattle from the United States are being imported in increasing numbers into Latin American countries to up-grade the local stock.
