Rose Hired as Police Officer

A new Salem patrol officer will go on duty at midnight Monday, Police Chief Clyde Warren announced.

John R. Rose, 26, 1126 South 25th St., has been a guard at the Oregon state prison for the past two years and was a police officer for a year and a half on the Oklahoma City police department, the chief said.

Rose was top man on the recent eligibility test but his name was withheld from the eligibility list while he recuperated from a broken leg, Chief Warren said.

He fills the vacancy caused when William Russell left the department recently to operate a restaurant.

Machete Found Under Clothes

A Salem man with a three-foot machete hidden under his clothing was charged Saturday night with carrying a concealed weapon, city police reported.

Officers said they arrested Walter August Nelson, 896 North Commercial St., outside a tavern after they had received a complaint from another customer that Nelson had a big knife concealed under his jacket.

Nelson told officers that he had no particular reason for carrying the machete. He had been drinking at home, he said, and decided to take the machete and go down to the tavern.

The sheathed machete was so long, officers said, that it couldn't be entirely concealed under the jacket, so it was also stuck inside his trousers.

He was due to be arraigned in district court Monday afternoon on the concealed weapon charge.

Man Arrested for Assault, Battery Brings Complaint

A Salem woman has been arrested and battery charge on the complaint of a man she had arrested on a similar charge 10 days ago, city police reported.

Mrs. Barbara E. Thomas, 3450 Felton St., was cited to appear in municipal court Monday after posting \$100 bail on the charge Sunday. She did not appear for the regular morning session of the court, officers said.

Her arrest came on the complaint of Thomas Kennedy, Tacoma, who was arrested January 11 on the complaint of Mrs. Thomas. He has pleaded innocent to the charge.

Officers said they served the warrants but had no details on the charges.

Legion Post to Vote on Sale of Land to Scouts

Members of American Legion Post No. 126 will vote at their meeting Tuesday on a plan to sell property to the Cascade area council of the Boy Scouts.

The property is located at South Cottage and Bellevue streets. Price of the land to the Scouts is set at \$1 with the provision that if the property is no longer used by the Scouts it is to be returned to the post.

Plans are for the Scouts to construct a meeting place and training and storage area on the site. The post meeting Tuesday will be held at the Legion hall at 6:45 p.m.

Youth Charged With Car Theft

A 15-year-old Salem boy was charged with auto theft after he was found in a car stolen from a Salem used car lot Sunday afternoon, city police reported.

Officers said they received a complaint about 11 a.m. Sunday from Ed Anderson of Anderson's used car lot, 240 Center St., that a 1952 Dodge was missing from the lot. It had been taken since 7 p.m. Saturday evening, he said.

About an hour later, police said, Anderson appeared at the station with the youth. He spotted the car in the 200 block of North Front street and apprehended the youth in it, he told officers.

The youth was being held Monday for county juvenile authorities.

Salem Man to Face Concealed Weapon Charge

A Salem man was to be arraigned Monday on a charge of carrying a concealed weapon after he admitted to city police Sunday that he had intended to kill his ex-wife.

Raymond George Reeves, 35, 215 South Winter St., was arrested early Sunday morning when police found a gun in his car. They were looking for him after a call to investigate a disturbance at the home of Mrs. Viola Reeves, 1895 Lorain Ct., officers said.

Officers said they were told that Mrs. Reeves had returned home after a date with Paul Hale, Jr., 727 Center St., and found Reeves in the house. He ordered Hale to leave and Hale went to Ladd's market, 1705 South 12th St., where police were called and Hale and Terry Gannon, an employee at the store, returned to Mrs. Reeves' apartment.

There, after some discussion, Reeves left, they said. When police arrived, they were told of a threat involving a gun so radioed patrol cars to look for him.

He was stopped in his car and officers were given permission to search the vehicle. They found a .45 caliber Colt revolver under the driver's seat, they said.

Reeves told officers in recorded and signed written statements that he had left the apartment, went to the main Salem post office, where he works, and stole the gun from there. Another employee talked to Reeves when he was there, Postmaster Al Gregg said, but no one saw Reeves take the gun.

Reeves said in his statements that he intended to return to the apartment and kill his ex-wife, Gannon and "the other fellow," officers said.

He was being held under bail of \$10,000 pending arraignment on the district court warrant. Officers said they did not know if any more serious charge would be filed against him or not.

Logger Shoots At Police Chief

COQUILLE (UP)—A 25-year-old Powers, Ore., logger was to be arraigned this afternoon on a charge that he shot at the Powers chief of police last night.

John Edward, the father of three children, was slated to appear in Justice Court for arraignment.

Officers said details of the shooting were not immediately clear but that Police Chief George Hurst was not harmed in the altercation.

Lloyd White, an officer in the sheriff's office, made the arrest after the alleged shooting and lodged Edward in the city jail here.

AEC Reveals Another Russian Nuclear Test

WASHINGTON (UP)—The Russians have set off at least their fifth test explosion of nuclear weapons since last August. The actual total may be higher.

The latest Soviet test, made Saturday, was announced by the Atomic Energy Commission yesterday.

In its customary terse fashion, the AEC said only that "the Soviets yesterday conducted another nuclear weapons test in their current series which has been resumed since the announcement of the Soviet test was made by the United States on Nov. 17, 1956."

An AEC spokesman said there would be no further details. The commission's statement was the 17th U. S. announcement of a Soviet nuclear test over the years but AEC Chairman Lewis L. Strauss indicated the number of Soviet tests has been significantly higher than the number announced by this government.

It is stated AEC policy to make such announcements only when the Russian tests are deemed to be of special interest "because of their size, their special character or some other unusual fact."

There was no indication of what special interest was attached to the test announced yesterday.

Bogus Officer Abducts Girls, Rapes One, 11

PORTLAND (UP)—A young man posing as a police officer abducted two young Portland girls late yesterday, then criminally attacked and beat one of them, police said.

State police said the younger of the girls, eight years of age, was spotted by a passerby as she stood at the side of the road after being released.

Officers said the girl and her 11-year-old friend were on their way home from a skating rink late yesterday when a man approached them and ordered them into his car, telling them he was a policeman.

When the girls got near the car he pulled them inside, police said, then sped south on Highway 99E.

The younger girl cried so loudly that the man stopped and released her near the state police barracks before continuing on and attacking the other girl.

The 11-year-old said the man blindfolded her with a scarf and left her with a warning not to move for 15 minutes. As soon as her assailant was out of sight the girl ran to the home of Ben Jacobson and he returned her to her home.

State police described the attack as "one of the worst cases we've ever seen."

Claxtar Road Given Signal

The Claxtar road crossing with the main line of the Oregon Electric Railway company, a few miles north of Salem is now protected by a flashing signal light.

Several months ago the utility and the county court agreed to split the cost of installing the signal on a 30-50 basis. Monday morning it went into operation.

The crossing had a flashing signal for many years until the company abandoned passenger service.
