

Porter Asks Check on Report High-Ups Ordered Flier Slain

By FRANK W. VAILLE
 WASHINGTON (AP) — Rep. Porter (D-Ore.) Thursday asked the State Department for comment on a report that the disappearance of an Oregon flier in the Dominican Republic last month was "of a political origin... carried out by members of and under instructions of the Dominican government."

The airman is Gerald Lester Murphy of Eugene, Ore., who disappeared Dec. 3 in the Central American country where he was employed by Dominican Airlines. A fellow employee, Octavio Antonio De La Maza, was arrested during the investigation and subsequently found hanged in his cell. A note, ostensibly signed by De La Maza, also was found in which the hanged man said he had murdered the missing Murphy.

The report that Murphy's disappearance was politically inspired was made public by Porter with the release of a letter from Dr. Miguel A. Pardo and Horacio Ornes, chairman and executive secretary, respectively, of the Vanguardia Revolucionaria Dominicana. The organization describes itself as "a political party endeavoring to establish a democratic regime in the Dominican Republic."

In their letter, the two Dominicans state that "rumors circulating in Santo Domingo" and reaching them through confidential channels "are to the effect that Murphy was murdered on 'orders from above' due to his suspicion that Octavio Antonio De La Maza... was in some way connected with the disappearance of Dr. Jesus De Galindez, a professor of Columbia University, whose disappearance occurred in March, 1956, in New York."

Milwaukie Fireman Is Cited For Heroism by Carnegie Fund

PITTSBURGH, Pa. (UP) — A Milwaukie, Ore., fireman who lost his life while saving another person, was one of 19 persons cited today by the Carnegie Hero Fund Commission for outstanding acts of heroism performed while seeking to rescue others.

The posthumous award was made to Warren L. Nott, his widow, who lives at 4065 Monroe Street, Milwaukie, will receive a bronze medal in behalf of her late husband and also death benefits in the amount of \$50 a month.

Nott died while saving Clarence O. Dailey, 47, of Milwaukie, who had plunged through the ice on Kellogg Lake last Feb. 5. Dailey fell into the icy waters while he, himself, was engaged in a rescue. He had gone onto the ice-covered lake to aid his 11-year-old son who had broken through the ice.

Nott managed to break the ice and rescue Dailey and his son but Nott, after getting a ladder across the ice to the man, fell through himself.

The fireman's efforts to reach Dailey with the ladder were credited with saving the man's life. He remained aloft by clinging to the ladder until the boat managed to reach him.

Of the 19 persons cited by the Carnegie fund, four lost their lives and were honored posthumously.

Farm Boy Killed As Tractor Upsets

ONTARIO, Ore. (UP) — A 16-year-old boy was killed on his farm home about 30 miles south of here yesterday evening when the tractor he was riding flipped over and pinned him beneath it.

State police identified the youth as Edward Nelson, the son of Mr. and Mrs. Clarence Nelson. The accident occurred when the tractor slid into a ditch in front of the boy's home.

HEART OF THE MATTER

WELLINGTON, New Zealand (UP) — A veterinary science lecturer at Sydney University said today he has discovered a test to determine if a horse can win a race. J. D. Steel told a science congress he had found a way to tell if a horse could win a race by studying its electro-cardiogram.

Dedicate Base At South Pole

MCMURDO SOUND, Antarctica (AP) — A fur-hooded band of American scientists and Navy men has dedicated the U.S. station at the South Pole. They named it after the Norwegian and British explor-

ers who made the first successful race to the bottom of the world.

The ceremony here on a bleak promontory 800 miles north of the polar base christened the station the U. S. Amundsen-Scott South Pole International Geophysical Year Station.

Norwegian Roald Amundsen discovered the pole in December, 1911. British Navy Capt. Robert

Falcon Scott got there a month later and perished on his return trip.

16 MILLION CANADIANS

OTTAWA (AP) — Canada's population passed the 16 million mark last year after a booming five-year gain which almost matched the numerical increase of the previous 10 years.

Speidel Gets NATO Post

BONN, Germany (AP) — The West German Defense Ministry Thursday announced Lt. Gen. Hans Speidel soon will take over command of NATO's Central European land forces. He would be

the first German officer to be given a top command in the Atlantic alliance.

Speidel, 59, served as Field Marshal Erwin Rommel's chief of staff on the western front during the Allied invasion in 1944. He was arrested by the Gestapo after the July 20, 1944, bomb plot on Hitler's life and held in prison until

freed by French troops in April, 1945.

PROVIDES CURB SERVICE. NEWARK, N.J. (UP) — The Newark Fire Department provided curb service today. Louis Morris, a garbage truck driver, discovered he had picked up some smoldering refuse and drove to the firehouse where firemen doused the embers.
