No Action by Grand Jurors In Marie Case

Can't Agree on Whether Indictment Would Aid Arrests

LOS ANGELES (AP)—The 1956 Los Angeles County grand jury held over to consider actress Marie (The Body) McDonald's story of being kidnaped, has adjourned without returning indictments in the matter.

The jury retired yesterday after a three-day hearing in which Marie twice was called to testify. Foreman Warren Thorne said many of the jurors believe a serious crime may have been committed, but "the necessary 12 could not agree that an indictment would advance the apprehension and conviction of those responsible."

The jury urged continued police work in the case. Marie had expressed hope earlier that John Doe indictments would be returned.

Jerry Giesler, the actress' lawyer, said private investigators would continue the search, and that his client intends to increase the present \$5,000 reward for her abductors. He added: "The jury's statement clearly demonstrates that the majority is satisfied that something happened at her home Jan. 3. I am sure Chief (William H.) Parker can't get too much satisfaction from the jury's statement."

Marie told newsmen she "had a feeling it was a sincere jury trying to get at the facts, but the police have done their best to prove my story a hoax." She said that after three months she will increase the reward to \$10,000.

"We are not through with this case," was Chief Parker's comment on the grand jury's statement.

Chou, Zhukov Land in India An Hour Apart

NEW DELHI (AP)—Red Chinese Premier Chou En-lai and Soviet Defense Minister Georgi Zhukov arrived in New Delhi an hour apart today.

Prime Minister Nehru came to the airport to receive Chou informally but, as is his custom with visitors of lesser rank, was not on hand to greet Zhukov.

Zhukov is on an 18-day good will mission. Chou, heading home-ward from Moscow, Warsaw, Budapest and Afghanistan, is having his third visit with Nehru in as many months.

The Chinese Premier leaves earlier tomorrow to visit Nepal. Zhukov came by Soviet jetliner which brought him from Moscow and Tashkent. The welcoming party was headed by Defense Minister K. N. Katju.

Zhukov's reception had no trimmings beyond the requirements of protocol. The Indian government had made no effort to get a crowd out, and Zhukov drove into town almost unnoticed.

Communist sources in New Delhi say Zhukov is here to explain Soviet policy in Hungary and ease Asian criticism. But Indians seem to be playing down the political implications of his visit. Indian officials say he is here to represent the Kremlin at the Republic Day ceremonies Saturday and to tour Indian military installations.

Jail Prisoners Riot Over Food

LAREDO, Tex. (AP)—Five prisoners in the Webb County Jail rioted last night and it took some 20 police officers and eight firemen to quiet them.

Chief Deputy Sheriff Porfirio Flores said the prisoners started a demonstration when jailers took them their supper in a tank cell on the third floor.

Flores did not give a reason for the riot. He said the supper consisted of fried eggs, fried beans, coffee, cream and sugar.

He said the prisoners armed themselves with sharpened broom sticks which they jabbed at the jailers. Two of the prisoners slashed their legs with razor blades, he said.

Additional police rushed to the downtown jail. Eight firemen were summoned to spray the prisoners with a high pressure hose. When that failed, officers fired tear gas into the cells. Flores said that quelled the men.

IRA Dynamiters Wreck 2 Bridges

BELFAST, Northern Ireland (AP)—Dynamiters of the outlawed Irish Republican Army today blew up two bridges over the Blackwater River near Anaghacloy, in County Tyrone.

It was the fourth foray in two days by the IRA, which has recently stepped up its violence campaign seeking to unite British Northern Ireland's six counties with the Irish Republic.
