

Monacans Dance All Night To Celebrate Heiress' Birth

By PIERRE LEGROS
MONTE CARLO—The joyful Monacans rocked 'n' rolled throughout the night to celebrate the arrival of their royal baby, Princess Caroline. But the happy and weary father, Prince Rainier II, went to bed early.
 The mother, Princess Grace, slept quietly in her bedroom in the palace. Beside her, in a crib once occupied by Prince Rainier, slept the blue-eyed, dark-haired baby born yesterday morning. Doctors said the former Grace Kelly's condition was excellent. She was expected to be up and around the palace in two or three days.
 The rejoicing residents and visitors in this 367-acre principality on the Riviera gathered in a singing and dancing throng before the palace early last night. They lit a bonfire and shouted "Long live the Prince — long live the princess" far into the night.
 The people shouted repeatedly for Rainier, but he did not appear on the palace balcony. He had kept a vigil with his mother-in-law Mrs. John B. Kelly of Philadelphia outside the palace delivery room from 3 a.m. until the baby arrived at 9:27 a.m. He was in a swirl of royal activity for the rest of the day and decided to turn in early.
 The palace square was decorated gaily with the same red and white flagpoles that were put up last April when the Prince married the American movie star. Yachts in the tiny port were lit like Christmas trees.
 After yelling themselves hoarse, the Monacans scattered into cafes and other night spots around the principality. They danced rock 'n' roll, mambo, and almost every

other gay kind of dance. The dawn advanced and so did the celebrating. The swank night club in the famous gambling casino was packed.
 Today was a national holiday in recognition of the royal birth. The holiday applies to almost everyone except the crocheters at the casino. Celebrations will continue until the baby's baptism, expected within a month.

Photographers swarmed into Monaco, but only the Prince himself, a competent amateur with a camera, took pictures of his daughter on the first day.
 As happy as the Monacans are, their rejoicing is not entirely sentimental. If the family should die out, the principality would belong legally to France and would be subject to the stiff French taxes and military draft.

Cold Hits East, Midwest After Short Respite

By THE ASSOCIATED PRESS
 Cold weather persisted over most of the Midwest and spread into most of the eastern third of the country today, ending a brief spell of springlike temperatures. Temperatures in the Eastern area dropped quickly as gusty winds brought in the icy air. Readings ranged from the 30s and

40s in the Gulf states to the teens in the Ohio Valley. Marks in the 20s and 40s also were reported in the Carolinas and ranged to around zero in New England. Southern Florida escaped the chilly breezes.
 Subzero weather was indicated in sections of the Northeast, some 40 to 50 degrees lower than yesterday morning.
 The cold air continued to spread southward over the Northern Rockies and extreme Northern Plains and temperatures ranged from 15 to 20 degrees below zero in North Dakota and Montana. It was cold in most of the Midwest with readings below freezing.

2 Desperadoes, Girl Seized in Bank Robbery

MINNEAPOLIS (AP) — Two men listed by the FBI as among "the most dangerous criminals at large," and a teenage girl were seized early today in connection with a \$14,000 Baltimore bank robbery.
 FBI agents and police, in a mass raid on an apartment at the edge of the downtown district, captured the three without any resistance.
 Cal Howard, special FBI agent in charge, said the three are Louis R. Arquilla, 26; Martin Francis Feeney, 41; and Dorothy Frances Borchard, 19, all of Boston.
 Howard said the trio was wanted for the holdup of the Fidelity Baltimore National Bank and Trust Co., Freedom Branch, last Nov. 26. Agents said a snub-nosed, .38-caliber pistol and a sawed-off shotgun, with ample supplies of ammunition, were found in the apartment.
 "These men currently had been listed as two of the most dangerous criminals at large," Howard said. "They had stated they would shoot any officer attempting to arrest them."
 Howard said Miss Borchard had been accused as the driver of the holdup getaway car in the bank robbery. He said the trio would appear in federal court to answer to the bank robbery warrants.

NAACP Urges Ike Speak Out

ATLANTA (AP) — Roy Wilkins, executive secretary of the NAACP, has asked President Eisenhower to "speak out from his high office" against what he described as "lawlessness and violence against the Negro in the South."
 Addressing a rally last night, Wilkins said the President can see the plight of the Negro, he gives the Negro his personal attention, but he "chooses to remain silent while American citizens are being hounded out of their freedoms and their rights."
 Wilkins said "our churches have been bombed, our ministers arrested, our boys and girls driven from school by mobs, our families uprooted and made to flee for their lives" and no rebuke has come from any high official.

Ike Rules Out Trips Abroad

WASHINGTON (AP) — President Eisenhower apparently has ruled out a trip to India or anywhere else abroad in the predictable future.
 India's Prime Minister Nehru extended an invitation during his United States visit in mid-December.
 Yesterday Eisenhower told his news conference that while he hopes many foreign leaders will visit him in Washington, he has "no plans to go anywhere outside the United States."
 He said the special nature of the presidency makes it "rather awkward" for him to be away from the country for any prolonged period.

PREMIER BOWOUT DENIED
 BAGHDAD (AP) — A Foreign Ministry spokesman has denied flatly a report from Lebanon that Iraqi Premier Nuri Said has resigned. The spokesman called the report in the rightwing Lebanese newspaper Beirut part of a war of nerves being waged against Iraq.
