NEW YORK—Chota Peg, cocker spaniel belonging to Capt. John Anderson, master of the liner United States and commodore of the United States Line fleet, licks his toothless chops yesterday in anticipation of 14th birthday anniversary dinner of chopped meat and vegetables. Chota Peg began another year at sea when the United States sailed from here. The dog, who has been with Captain Anderson on four ships since 1913, will be 14 Jan. 28 when the liner is scheduled to reach Le Havre, France. (AP Wirephoto)

### Slides Delay Opening New Pacific Road

ROSEBURG (AP)—Opening of a new section of the Pacific Highway south of Roseburg has been delayed by slides in a deep mountain cut.

State Highway Department Division Engineer Frank Morgan said it may be June before the slides can be cleared from the highway. The section was to have opened this month.

The trouble lies near the summit of Roberts Mountain, about eight miles south of here.

Contractors excavated about 160 feet into the mountain to make the cut for the highway grade. In the winter of 1955-56, when rain fell in record amounts, water washed through the deteriorated rock. The sides of the cut collapsed onto the unfinished roadway.

Some of the material, which added up to thousands of cubic yards, was used to widen parts of the relocated highway to four lanes.

The new 7.67-mile section of highway will bypass Winston and Dillard when complete. It will have cost about \$3,050,000, including \$740,000 for a 700-foot bridge over the South Umpqua River about four miles north of Myrtle Creek.

The district between Roseburg and Myrtle Creek will be cut by 5.99 miles when the section is opened to traffic.

### Attorneys Plead Tax Cut for Entertainers

WASHINGTON (AP)—A score of California and New York lawyers sought to convince the Internal Revenue Service today that incorporated entertainers should be taxed like incorporated businesses.

They contend that some of the biggest names of Hollywood and television will be "ruined" financially if the revenue service enforces a proposed regulation.

Their hearing—probably this afternoon—was included on the crowded schedule of Bernard Payne, chief of the IRS regulations programs section.

The rule in effect would bar the film and TV stars from incorporating their "unique and personal services" in order to qualify for a maximum 52 per cent corporation rate on their large earnings instead of the individual income rate, which goes up to 91 per cent.

IRS could make the rule retroactive to Jan. 1, 1954, and claim back taxes to that date. Some movie people contend this would put them out of business. They predict it would drive many independent producers abroad.

The attorneys resisting the IRS ruling include Paul Ziffren, Democratic national committeeman from California, and Palmer Baker of the New York law office of Lord, Day and Lord—the firm of which Atty. Gen. Brownell was a member before he took office.

One or another of the battery of lawyers will be speaking for such headliners as Jackie Gleason, Perry Como, Garry Moore, Marilyn Monroe, Danny Kaye, Danny Thomas, Lucille Ball and Desi Arnaz.

Eight of the Hollywood guilds have organized a motion picture industry committee to speak for such organized groups as the actors, producers, writers and agents.

**Gray May Get Top ODM Post**  
NEW YORK (AP)—The New York Times said Friday that Gordon Gray, a Democrat and longtime office holder, has been selected to replace Arthur S. Flemming as director of the Office of Defense Mobilization.

The New York Herald Tribune printed a somewhat similar story. Formal White House announcement of the appointment is expected soon, a Washington dispatch to the Times said.

Gray, secretary of the Army in the Truman administration, now is assistant secretary of Defense for International Security Affairs. He is a North Carolina publisher and educator.

**Eubanks Gets 15-Year Term**  
ROSEBURG (AP)—Harvey Lee Eubanks, 18, was sentenced to 15 years in the Oregon penitentiary Thursday after pleading guilty in circuit court to a charge of assault and robbery while armed with a dangerous weapon.

The Bragg City, Mo., youth was arrested in a school house late Monday night by state police after an intense 12-hour manhunt in the Tri-City area in Southern Douglas County. Earlier in the day Eubanks had pulled a gun on a state policeman and stolen his police car. Before his arrest Eubanks had burglarized the school strong-box of \$60.

Circuit Judge Carl E. Wimberly said that in his 22 years on the bench that he never had seen so young a person appear before him on so serious a crime. Eubanks is also wanted by California authorities for escape from a juvenile home, car theft and other charges.

**Gibson Jams Lock, Trial's Start Waits**  
ALBANY, Ore. (AP)—Ernest L. Gibson, 31, was unable to go to his trial here Thursday because he had tampered with the lock on his cell door and jailers were unable to open it.

Gibson, already facing a life prison term for the robbery of the Linn County treasurer's office and a 10-year sentence for automobile theft, was to have been tried on a charge of assault and robbery stemming from a jail break here last Sept. 7.

Circuit Judge Fred M. Henry of Corvallis was to have opened the trial Thursday but was unable to be present.

When jailers went to get Gibson to bring him into court to hear that the start of his trial had been postponed until Friday, they found the lock jammed. Dist. Atty. Courtney Johns said that Gibson had damaged the lock attempting to pick it.

# THE SECRET

In another moment he will be getting up and walking toward you, eager to tell the secret of his calmness and strength. Will you listen?

He has solved many problems, overcome much grief and temptation, been able to meet the conditions of every-day living, all because through the Church he has come in contact with the Source of all power. In the Church he has found companionship. Its worship services have brought faith, peace and serenity. Its activities have furnished an outlet for his creative abilities and energy. The Church has been a part of his life from boyhood. Through its various departments the needs of his life have been met. He has enjoyed the fellowship there and, looking back, he is able to trace his own growth.

Have you learned his secret? Wouldn't you like to know it?

What the Church has done for him it can do for you. If you are young, it will help meet your problems. If you are older, it will bring satisfaction and peace.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
